

2024 Board Report One Pager

School Enrollment:

23/24- Projected Enrollment- 145

23/24- Oct Count- 140

Highlights:

- Held Effie-based Credit Recovery in May /June 2023.
- Teachers trained and participated in *benchmarking* all students 7-12 (reading assessment).
- Career Explorers program in collaboration with Tanana Chiefs Conference and UAF College of Business and Securities.
- Signed MOA with Cook Inlet Tribal Council to install Innovation Station Fab Lab at Effie (focus on STEM for JH students)
- Continued collaboration with Fairbanks Native Association, Behavioral Health Services to provide referral, assessment, and outpatient services for students.
- Offering a 2-week Credit Recovery session in May/June 2023.
- The second Charter renewal process is underway marking our 19th year being open.

Current Challenge-

- Chronic Absenteeism
- Student Mental Health
- Transportation for Effie students (No school bus service since 2022)
- Transiency (frequently related to mental health)- 26 students have withdrawn since the start of the school year (15% of the student population)
