

TES Supply Lists

2024-2025

Welcome to TES! The grade level teachers and special area teachers have compiled supply lists for each grade, K to 4. We have attempted to keep the cost as low as possible, but if there is any economic hardship, please do not hesitate to reach out to the nurse or the principal, and we can provide support. If you have any questions, please call the office, and if you have specific questions, please reach out to your child's teacher at the beginning of the year.

Thank you!
