

Wellness Meeting Minutes March 17, 2021

1. water filling stations and that we seem to be going through more fills and so will check in with custodial staff to check on them more often to make sure filters are good.
 2. We need to fill the board member position- I will email a person to see if they are interested
 3. Wendy Schultz, Elem. PE is joining the committee and Karen Flatness will stay on as our parent representative
 4. Mary Urch from Steele County SHIP - shared they have some new training for staff and students that promote health and well-being that will be explored more by the committee
- It was a 20-minute meeting with 7 members present. We will meet again May for our final meeting of the year.
