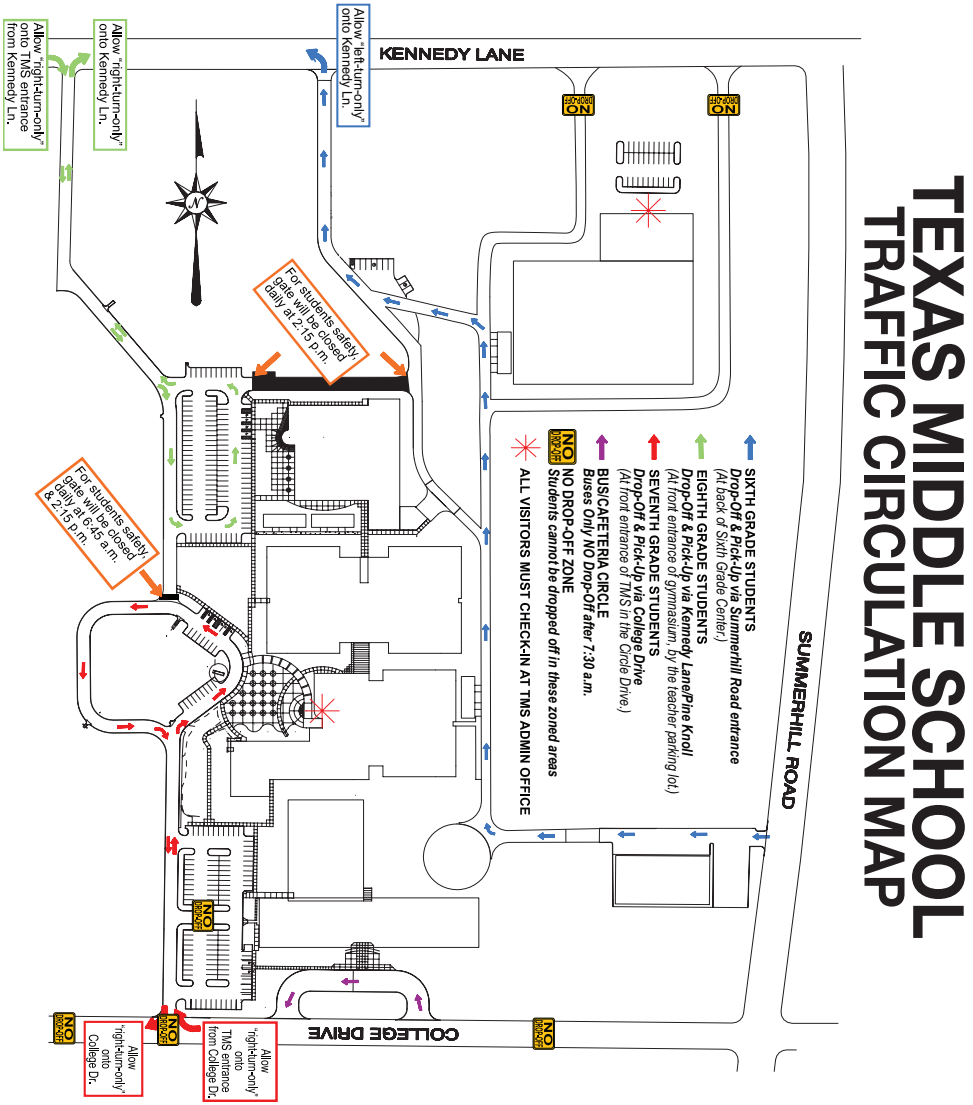
Get To Know Your Route at TMS to Prepare for Back to School Traffic!


With the upcoming start of the school year, we want to encourage you to get to know your students grade level Pick-Up and Drop-Off locations by reviewing the Traffic Circulation Map below. For student safety, school traffic in ALL drop-off and pick-up areas will be confined to a single lane for loading and unloading. Please pull forward as far as possible before dropping off or picking up your student. We appreciate your patience and understanding during the first few weeks as everyone gets acquainted with the traffic circulation system. If you need further information or have any questions, contact 903.793.5631.
