AGENDA

- Update on Concession Stand Cashless Payment Option
 - Credit cards to purchase food and drinks were used for the first time on Friday, September 8, 2023, at our first home football game.
 - Mr. Steven Haas, who set up the Square Ipad and account for purchases was on hand at the first football game to handle any questions.
 - We have dedicated one line for credit card sales for all of our contests in the stadium.
 - Currently, we have about \$1 credit card spent on food compared to \$10 cash spent.
 - Our plan moving forward is to continue to monitor the likelihood of increased credit card sales. If credit card sales increase we will expand to a second line and possibly an entire window.
- Process for [Selection of Athletic Award Night Dates](#)

- Infiltration Testing occurred on September 27-28th
 - Preliminary results from ELA Sport indicate the infiltration rates were better than expected.
 - Decent infiltration rates were found 2 feet below the existing basin bottom.
 - ELA Sport indicated this is the best-case scenario as it will only require some more dirt to be removed from the bottom of the existing pond. If needed the pond could be expanded towards the east where good infiltration rates were discovered during testing.
 - The next step is for the ELA Sport to meet with the Conservation Office in the near future.

Final ECC Committee Meeting for 2023

(Committee Meetings for 2024 will be determined at the Reorganization Meeting of the School Board in December.)
