### RFP 24-38 Electrical Supplies

- Q. There is a requirement under section V, paragraph BB for fees to be fixed for the first two years. It is unclear if these fees are different than the items priced in Appendix 4. Please clarify.
- A. "Fees" for the availability of products or delivery of products or the special ordering of products will more than likely vary. The vendor is to provide any unit pricing available for such fees which may be applicable for supplying, delivery, docking or providing electrical and low voltage products as described in Appendix 4
- Q. In the RFP documents there is no attachment for Appendix 4- Pricing Spreadsheet Labeled "RFP:24-38, ELECTRICAL SUPPLIES". Please provide spreadsheet.
- A. The vendor is to provide a company catalog or link to the product list which includes unit pricing. The vendor is to provide the guaranteed discount rate as a percentage of each item available. The vendor should also provide a list of the top 100 most frequently sold items or sold to MPS if possible which includes current unit pricing.
