Log into IC to complete the NSLP application. Once submitted the Parent Portal Message Center will provide updates on status and processing of your application.

Click on the index item:

- More
- Select Meal Benefits on the main screen

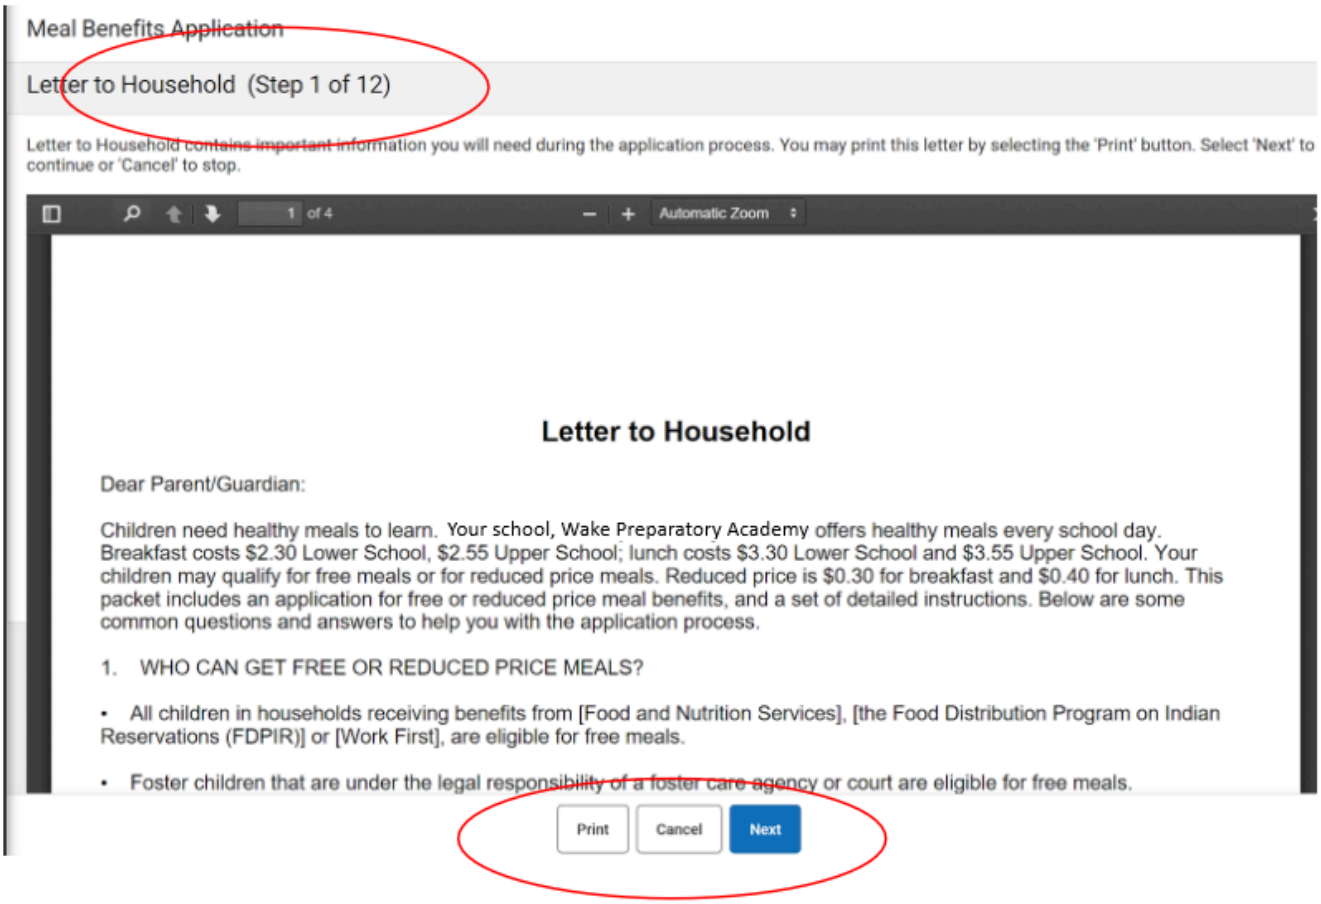

You can begin your application by selecting Meal Benefits Application:

Move through reading the application and entering in your household information by clicking “Next” when complete with each page. You can print any of the letters for your reference.

The steps at the top will indicate how far through the application you are. (If you need to go back to a page, select “Previous” at the bottom near “Next”.)

The Message Center is where you can view your Inbox and notifications of your application status.
