

**SPRING-FORD AREA SCHOOL DISTRICT
CHILDCARE/DAY CARE TRANSPORTATION REQUEST FORM
CURRENT SCHOOL YEAR 2024-25**

This form is to be submitted when a student will be at a location other than their residence for childcare. The District will only transport within the school's attendance boundary that the child attends and the closest designated stop. If your Child Care Provider is within the walking boundary of the attending school, student is classified as a walker. (A list of the Child Care Centers for each attendance boundary can be found on the Website under "Parents" in the "Day Care Programs".

Please remember arrangements are for every school day during the current school year. Before school pickup location can be a different location from the after school drop off location. Requests which are occasional rather than regular or involve only a portion of a week will not be approved. Alternate arrangements for any reason are the responsibility of the parents.

The form is to be submitted each year before the end of JUNE for the next school year. Submit this form to the attending school or email form to: Bussing@spring-ford.net. Allow seven school days for processing. If submitted during the school year, the attending school will contact the parent with the start date and bus information once the request has been approved and the transportation is in order.

**** No more than 3 requests for change in location for child-care arrangements will be granted per school year. ****
