

# text to speech reader

If enabled by your teacher, Text to Speech reader is available. This will read anything that you highlight to you. The Text to Speech reader is on the left-hand side of the screen (headphones).

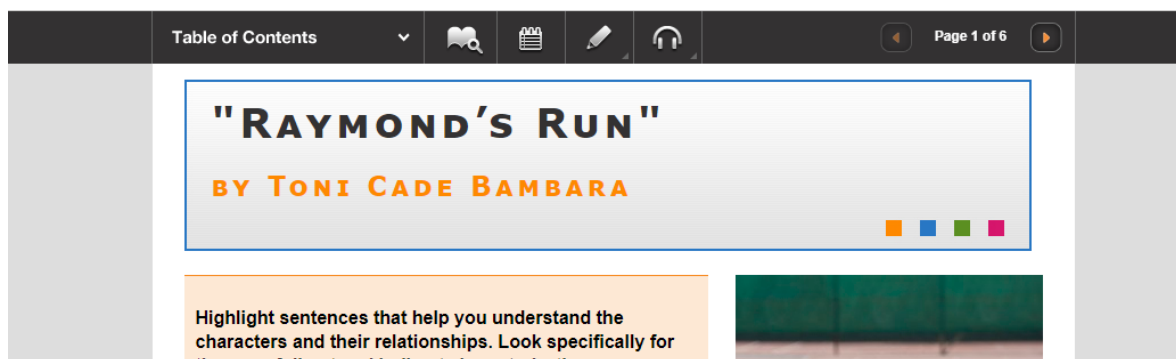

## *Steps:*

1. You must highlight the text first
2. Click the play button.

You can adjust the speed at which the teacher is talking using the drop-down menu.

When reading an article, the text to speech reader can be found at the top of the page.

**Note:** When you are in an article, you do not have to highlight the text first. You can just click play.
