Our Mission

In collaboration with family and community, the mission of the Seneca Valley School District is to provide a nurturing and safe environment with academically challenging opportunities, emphasizing digital citizenship, innovation, and global awareness in order to prepare our students to be productive and contributing citizens.

Visitor Notice

The Seneca Valley School District encourages parents to become active parents and visitors in our schools. We kindly ask that you keep the following in mind the next time you visit. The Seneca Valley School District prohibits alcohol, drugs, weapons or tobacco on any school property. All individuals, vehicles and containers on any school grounds are subject to search. Also, unauthorized persons are prohibited. For the safety of those in our buildings, all visitors will find they are required to be given access by office personnel. Please note that video cameras tape activity at all school entrances and in various parts of the buildings. All visitors are also required to sign-in and will be asked to utilize a valid driver's license to create a visitor's badge, which must be worn at all times while on school property. Upon leaving the building, visitors are required to sign-out and leave the visitor badge with the office staff. We thank you in advance for following these procedures for the safety of all students and staff.

Mr. Frederick Peterson, Jr.

Represents Cranberry Township West IV and West VI, Region 4

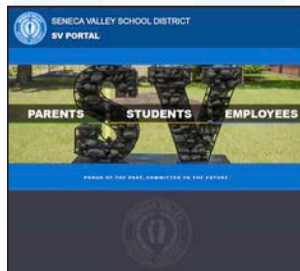

Find, Follow & Register

SchoolMessenger Parent Notification System

Seneca Valley is pleased to provide the **School Messenger Parent Notification System** to our families to keep open the lines of communication. Our email notifications provide important updates and reminders about the programs and activities going on in our school. You'll also find good news and student accomplishments in these regular communications. When we are faced with school delays, closures and/or emergencies, phone calls will be made to your home, cell phone and/ or work numbers as indicated. To change or update your contact information at any time, please go to the SV Portal and log in to your account (the portal link can be found at the top right hand of the website in the blue bar or visit: <https://portal.svsd.net/>). If you do not have your access information or are having difficulty with access, please contact (724) 452-6040, ext. 1675 for more information.

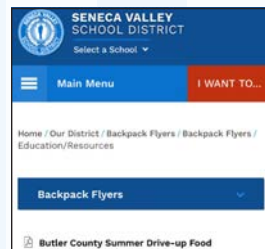

SV Portal

The **SV Portal** is a secure, online process for families to update current health and emergency contact information annually. Parents and children must also register each year for athletics and activities, when participating, and complete all electronic signatures within the parent portal. To change or update your contact information at any time, please go to the SV Portal and log in to your account (the portal link can be found at the top right hand of the website in the blue bar or visit: <https://portal.svsd.net/>). If you are unable to access the SV Portal and are in need of a replacement wallet card, please contact the Central Office Front Desk at (724) 452-6040, ext. 1675, and one will be provided for you via U.S. Mail. Passwords and usernames cannot be supplied verbally over the phone. We apologize for the inconvenience; however, this procedure is necessary due to the sensitivity of the information involved.

Mobile App

Seneca Valley's updated app is more personalized, more customized and has greater mobile content! Download **SV's Mobile App** on Google Play and the Apple Store.

Backpack Flyers

All non-profit organizations in our community are invited to submit flyers (in PDF format) to our Communications Department for possible inclusion on our **Backpack Flyer** page. It is available on the homepage under site shortcuts or can be found at www.svsd.net/backpackflyers. To submit a flyer, please forward it to Linda Andreassi, communications director, at andreassill@svsd.net. Please be sure the flyer includes the disclaimer, "This is not a Seneca Valley sponsored event."

Emergency/Inclement Weather Notice

The Seneca Valley School District will make every effort to close or delay school by 5:30 a.m. of the affected school day. Delays that turn into closures will be made by 7:30 a.m. of the affected day. Please know that early dismissals will be avoided whenever possible, but if necessary, will be made by 11 a.m. of the affected day. When Seneca Valley has a closing or delay, the district will notify the primary and secondary numbers, as provided, so the information reaches all those affected.

E-mails will be used to provide follow up information. Emergency or delay/closure/early dismissal information can also be found on:

- www.svsd.net
- KDKA Radio 1020 AM
- KDKA-TV Channel 2
- WTAE-TV Channel 4
- WPXI-TV Channel 11
- SVTV
- The district's main line - via a recording - at (724) 452-6040
- SV's App

Emergency Plan

The following is for the safety and welfare of all Seneca Valley students. In the event of a building emergency, students will be evacuated to a safe area on school grounds. In the event of an "outdoor" emergency, students will take immediate cover in the best possible place. In the event of an evacuation due to floods, hazardous material accidents, etc., it may be necessary to evacuate students to alternate sites.

So as not to compromise district safety plans, student evacuation sites will not be listed here. In the case of ANY emergency or crisis, do not call the schools - leave these lines open for emergency communication. Our parent notification system will be used to notify you of any emergency and provide the necessary instructions.

Transportation/Registration/Information

Transportation

Parents can access their child(ren)'s bus information on the SV Portal (the portal link can be found at the top right hand of the website in the blue bar or visit: <https://portal.svsd.net/>).

Activity Bus

The secondary activity bus provides transportation home for students in supervised after-school activities. Parents please note students should know and have memorized their street address and housing plan. The secondary activity bus does not go into housing developments as it stays on main roads within the district. These buses depart Seneca Valley secondary schools in Jackson Township, Monday through Friday, at 5:15 p.m. Copies of the bus stops are available in the secondary building offices or online at www.svsd.net/ActivityBus. For more information please contact the Transportation Department at www.svsd.net or by calling (724) 452-6040, ext. 1758. Please note, there are no activity runs on Act 80 Days, In-Service Days or half-days on the secondary campus.

Transportation Notification

In accordance with Pennsylvania Law Act 9 of 2014, the School Board has adopted a policy that authorizes audio and/or video recording on school buses or school vehicles for disciplinary or security purposes. The audio/video recordings on school vehicles would be exempt from disclosure under the Public Right to Know

Law because such recordings constitute an educational record protected from disclosure by FERPA. Principals, their designees, bus garage managers, and transportation department personnel are the only people allowed to view the recordings. Law enforcement may also view the recordings if school officials deem necessary. Each school bus or school vehicle with audio and/or video recording devices, will post a notification in clear sight so driver and passengers understand their actions and communication may be recorded. The audio and or video recording will not be operating if the vehicle is used for other purposes not school related.

Registering For School

PRESCHOOL (Ages 3-5) A Preschool program is offered through the Family and Consumer Science Department of the senior high school. The program runs on Tuesdays, Wednesdays and Thursdays from October through May. Session I is 8:55 - 10:55 a.m. and Session II is 11:50 a.m. - 1:50 p.m. Cost is \$180/year. Children must live in the District or have parents who work for Seneca Valley. Children must be toilet trained and 3 years of age on or before Sept. 1. Parents are asked to follow the District school cancellation schedule. For more information or to register, visit www.svsd.net/preschool.

ELEMENTARY & SECONDARY STUDENTS (K-12) Students can register year-round in the district. Those students entering AM or PM kindergarten in Seneca Valley must be 5 years old on or before September 1. For all students in grades K-12, you will need:

- Birth Certificate
- Health and Immunization records
- Two proofs of residency

For more information on your attendance area or to register your children in the Seneca Valley School District, please contact the registration coordinator, at (724) 452-6040, ext. 1640. Registration information and forms can be found on the district website at www.svsd.net under "Enrollment and Registration."

Adult Education

Adult Education classes are offered in fall and winter sessions. For more information, call (724) 452-6040, ext. 3003. (*You Must Be 18 Years or Older for Adult Programs*)

Gold Card

Seneca Valley residents 62 years of age or older are invited to apply to become a member of the Seneca Valley School District Gold Card Club. Membership entitles card holders to attend home athletic events, music, dramatic and other school productions.

*Membership is free and proof of residency is required at the time of application. Acceptable proof of residency includes: valid PA driver's license or identification card with a Seneca Valley School District community address, lease, or utility bill (name of the application must match the name on the license/identification). A Gold Card application can be made by mail and must include a copy of proof of residency.

To use a Seneca Valley Gold Card:

- You must carry your card with you and present it to admissions personnel when you wish to use it
- Remember that use at some fine art performances, including the SV All-School Musical, require reserved seating, so call ahead to check or confirm your reservation

Athletic schedules and District events are listed on the website at www.svsd.net.

Please be aware that many fine arts performances such as band, orchestra and choir concerts offer free admission, but some events such as plays, musical productions or dance reviews may require an admission charge. Reduced-price admissions to these events are available to Gold Card members. Reservations may be required and some performances may have limited free-admission seating for Gold Card members.

More district information can always be found by visiting our website at svsd.net.

Food Services

Free/Reduced Meal Applications

If you think you might be eligible for Free & Reduced-Price School Meals, please fill out the Free & Reduced-Price School Meals Application and return it to the Seneca Valley Administration Office with attention to Faye Nelson. We encourage you to fill out a Free & Reduced-Price School Meals Application as many programs are connected to your child(ren)'s eligibility. Applications can be found at www.svsd.net/FreeandReduced.

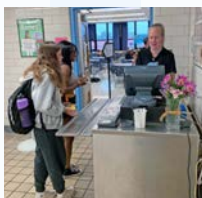

Cafeteria Point of Sale (POS) Program Information

The Seneca Valley School District Food Service Department uses a point of sale (POS) system called e-Triton and all schools use a pin pad. This system allows a student to enter their ID numbers with a touch screen. The POS system automates the purchase of all cafeteria meals and items, monitors student allergies, creates a student history and maintains student balance. In order to make cafeteria item purchases, a student must have a positive balance on their account. Charged meals will accrue until graduation or separation. A student cannot be denied a meal. We are proud to offer a wide variety of unlimited fruits and vegetables with all student meals. Please encourage your child to try something new.

Pay Student Meals Online

Seneca Valley accepts payments for school meals through the mySchoolBucks.com online payment service. You can also use the service to monitor, for free, your child's food purchases. mySchoolBucks.com offers a secure gateway that accepts VISA and MasterCard credit cards or debit cards as a means of adding money to your child's account.

There is no fee to use the mySchoolBucks service to set up an account, view your child's meal purchases, balances, or to set up automated email notices when your child's meal account

falls below a dollar amount you specify. There is a fee if you are using the mySchoolBucks service to make an online payment. If using the service to pay for meals, the service automatically deposits the money into the student's meal account at school within one-to-two business days.

To register online, visit the website at www.mySchoolBucks.com. You can register each child using their date of birth and/or student identification number; and be sure to enter your child's name exactly as you did when you registered them at school. A valid email address is required when you sign up for the service.

If leaving the district or graduating, refunds will be handled through the cafeteria manager or by contacting Faye Nelson in the food service department at 724-452-6040, ext. 1655 or by email at nelsonfd@svsd.net.

If you are having difficulty with the registration process, please call the mySchoolBucks parent number at 1-855-832-5226.

Cafeteria Payment Procedures

Funds may be added to a student account by registering at www.myschoolbucks.com (see more left). Parents are encouraged to use mySchoolBucks, the preferred payment method. You may choose however to send a check or cash to your school's cafeteria. Please make sure the student's full name and enclosed dollar amount is on the outside of an envelope along with the ID number on the inside flap. If you have multiple children in different schools, you will need to provide separate checks. Cash transactions are acceptable, but not preferred. The goal is to have money on all accounts in an effort to speed up the lines and afford the children more time to sit down to eat.

A student may ask any cashier for an account balance, and the cashier will notify the student at the point of service. Parents will also receive an email from the district when funds are low. Please remit payment as soon as possible.

An account balance must be positive in order for a student to purchase an a la carte item. Parents may limit the student's purchases to "meals only" or "one a la carte per day." This can only be done by email to the cafeteria manager or by contacting Faye Nelson in the food service department at

nelsonfd@svsd.net who will then post this message to the student account. If an elementary or secondary student does not bring a lunch or does not have enough money to buy a lunch they will be offered a charged meal of their choice. Parents are notified via email on low or negative balances.

You must have an email registered with the school to receive this message service. If you have not registered an email address, please do so through the SV Portal, which can be found at the top right hand of the website in the blue bar or visit <https://portal.svsd.net>.

Secondary Schools:

Regular lunch - \$2.95
Free & Reduced lunch - 40 cents
Breakfast - \$1.95
Free & Reduced breakfast - 30 cents
Milk - 75 cents

K-6 Schools:

Regular lunch - \$2.75
Free & Reduced lunch - 40 cents
Breakfast - \$1.95
Free & Reduced breakfast - 30 cents
Milk - 75 cents

Health Services

The goal of the School Nurse Department of the Seneca Valley School District is to provide the resources to promote the greatest health care services for each student in our care. Those services include:

- Implementation of an Individual Health Plan (IHP) for any student with specific health needs
- Collaboration with parents, school staff and community health agencies
- Health assessments and screenings
- Implementation of state health and immunization laws

If your child has a specific health concern that requires medication or nursing care during school hours, please call the school nurse; a plan will be developed for your child. Medication, when necessary, may be administered to students at school. All medications administered in the school setting must be prescribed in writing by a health care professional (physician/dentist/CRNP). The original pharmacy labeled container may also be accepted as the physician/dentist/CRNP order for medications administered for a period of two (2) weeks or less. All medications administered in the school setting must also be accompanied by a written request or completion of form(s) from the parent/guardian.

- Medication forms are available in each health office and online at www.svsd.net. Orders are in effect for no longer than the duration of the current school year.
- Analgesics - Ibuprofen (e.g. Motrin, Advil, etc.) and or acetaminophen (e.g. Tylenol) may be administered to students for mild pain and discomfort upon parental permission. The dosage of these analgesics will be administered according to orders as written by the school physician. Dosage will be determined by the student's weight. Dosages that exceed those recommended by the school physician WILL NOT be administered without a written order from the student's personal physician.
- All medications must be delivered directly to the school nurse, school principal, or principal's designee in properly labeled containers. Students may only carry Epi Pens and asthma inhalers with physician's order, parent permission and school nurse approval.

Medications guidelines to be followed:

- Prescription medications require the original pharmacy labeled container.
- Over-the-counter medications are required to be in the original labeled package.
- The parent/guardian is responsible for providing an adequate supply of medication.
- If the parent/guardian is unable to make arrangements for delivery of controlled medications by an adult, the medication container should be sent to school with the student in a sealed envelope with a note stating the number of pills being sent. Upon receipt of the medication, the school nurse will verify the number of pills received and notify the parent/guardian of any discrepancy.
- The school nurse will contact the parent/guardian if the nurse, in his/her professional judgment, needs clarification regarding implementation of a medication order. The nurse will ask the parent/guardian for permission to speak directly with the prescribing physician. If the parent/guardian will not permit the nurse to clarify the order directly with the physician or the parent/guardian does not provide the necessary clarification from the physician in writing to the nurse in an agreed upon amount of time, the parent/guardian must assume the responsibility for administering the medication at school.
- Students will be responsible for reporting to the health office at the designated time to receive the medication.

PA School Health Law requires a physical examination and dental examinations for the following grade levels:

- Physical examinations for Kindergarten, Grade 6 and Grade 11
- Dental examinations for Kindergarten, Grade 3 and Grade 7

Please submit ALL forms to the building nurse when complete.

PA State-Mandated Immunizations

Pennsylvania Law and Seneca Valley School District requires that all immunization mandates be completed prior to the first day of school.

Children in ALL grades (K-12) need the following immunizations for attendance:

- 4 doses of DTaP (diphtheria, tetanus, and acellular pertussis (1 dose on or after fourth birthday)
- 4 doses of polio (1 dose on or after fourth birthday and at least six months after previous dose given)
- 2 doses of MMR (measles, mumps, rubella) (1st dose must be after the 1st birthday)
- 3 doses of hepatitis B
- 2 doses of varicella (chickenpox) or evidence of immunity (1st dose must be after the 1st birthday)

Grade 7 ADDITIONAL immunization requirements for entry:

- 1 dose meningococcal conjugate vaccine (MCV)
- 1 dose of tetanus, diphtheria, acellular pertussis (Tdap) [if five years have elapsed since last tetanus immunization]

Grade 12 ADDITIONAL immunization requirement for entry:

- 2nd dose meningococcal conjugate vaccine (MCV) They must be at 16 years of age or older. (If the first MCV was given at age 16, then they only need one)

Exemptions to the school laws for immunizations are:

- Medical reasons;
- Religious beliefs; and
- Philosophical/strong moral or ethical conviction

If your child is exempt from immunizations, he/she may be removed from school during an outbreak.

If you have questions, please contact your child's current school nurse.

More district information can always be found by visiting our website at svsd.net.

Special Education

The Seneca Valley School District Special Education Department is committed to meeting the needs of students with disabilities in the least restrictive environment and helping them reach their potential while maintaining compliance with state and federal regulations. If a student demonstrates a potential need for special education, a multidisciplinary evaluation is conducted to determine if the child has a disability and is in need of special education services. The evaluation process may be initiated by school staff or by a child's parent, who may do so by contacting the building administration. The amount and type of special education services to be received by a student is determined on an individual basis by the Individualized Education Program (IEP) team, of which the parent is a very important member. The Seneca Valley School District offers a continuum of services and placement options to meet the needs of each student. Services include but are not limited to:

- **Autistic Support:**

This type of support may be recommended for a student with a disability who requires services to address needs primarily in the areas of communication, social skills or behavior. This is consistent with those on the autism spectrum.

- **Emotional Support:** This type of support may be recommended for a student with a disability who requires services primarily in the areas of social or emotional skills development or functional behavior.

- **Learning Support:** This type of support may be recommended for a student with a disability who requires services primarily in the areas of reading, writing, mathematics, or speaking/listening skills related to academic performance.

- **Life Skills Support:** This type of support may be recommended for a student with a disability who requires services primarily in the areas of academic, functional or vocational skills necessary for independent living.
- **Speech and Language Support:** This type of support may be recommended for students with speech and language impairments who require services primarily in the areas of communication or use of assistive technologies designed to provide or facilitate the development of communication capacity or skills.

Section 504/Chapter 15

Students protected by Chapter 15 of 22 PA Code ("Protected Handicapped Students") must be of school age and have a physical or mental impairment that substantially limits one or more major life activities (e.g., learning). In compliance with state and federal law, Seneca Valley will provide to each eligible student without cost to the student or family, those related aids, services and/or accommodations that are needed to afford the student equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities without discrimination and to the maximum extent appropriate to the student's abilities. These protections are distinct from those applicable to eligible students receiving (or seeking receipt of) special education services under IDEA and Chapter 14 of 22 PA Code.

Gifted Education

If a student demonstrates a potential need for gifted services, a multidisciplinary evaluation is conducted to determine if the child is in need of special programming. The evaluation process may be initiated by school staff or by a child's parent, who may do so by contacting building administration. The amount and type of gifted support to be received by a student is determined on an individual basis annually by the child's Gifted Individualized Education Program (GIEP) team, of which the parent is a very important member.

- **Gifted Support:** Students receiving gifted support have been identified as having outstanding intellectual ability, the development of which requires special services and activities not ordinarily provided in the general program. Gifted Individualized Education Programs (GIEPs) are developed annually.

More district information can always be found by visiting our website at svsd.net.

Partner with Seneca Valley

Athletics

Seneca Valley Athletics has a tradition of excellence and accomplishment founded on the principles of resiliency, teamwork, effort, and positive sporting behavior. Raider student-athletes have excelled scholastically, collegiately and professionally in their respective sports but, more importantly, their academic achievements and community contributions are what distinguish them from their peers.

We are a program that offers 63 district teams, 22 club sport teams and opportunities for over 1,400 student-athletes to compete in their sport of choice. We embrace the platform of "Education through Sport" and continually aspire for excellence in all we do.

In order to sustain this academic, athletic, and community excellence now, more than ever, Raider Athletics needs your support! By partnering with Raider Athletics, you have the opportunity to reach thousands of visitors on our Jackson Township secondary campus while supporting the aspirations of our students. Your investment will not only bring direct exposure to the Seneca Valley community but will reach audiences of visiting schools from both the WPIAL and PIAA and those who visit through Butler County Tourism events held on our campus and in the region. For more information or sponsorship opportunities, please contact Heather Lewis, athletic director at lewish@svsd.net.

Advertising

Raider Pride

Raider Pride is a monthly e-newsletter that contains 18-22 pages of positive school news and events happening in our District. This newsletter is emailed to over 8,000 contacts during the last week of each month as well as shared on our website and social media platforms that reach thousands. For more information or for pricing, please contact the Communications Department at communications@svsd.net.

Website

Seneca Valley has partnered with EDGEclick Advertising to offer you the opportunity to advertise on the Seneca Valley Website. Since the EDGEclick network is limited to the official websites of Pennsylvania School Districts, we can make a reasonable judgment of the network's reach. The majority of visitors to these sites are the parents of school aged children, which places them, generally, in the 25-50 age demographic; the prime of their spending years. With the competitive pricing we offer, the EDGEclick Network would be a welcome addition to your advertising budget, with a measurable ROI and the ability to tailor a campaign to your exact geographical needs. To learn more and request a custom quote, please contact: Bob Phillips, EDGEclick Advertising • Office: 724-752-5552 x2228 • Mobile: 724-630-3350 • Email: bphillips@tpedesign.net • www.edgeclick.net.

Activities & Information Calendar

Seneca Valley offers area businesses the opportunity to purchase advertising in the 36-page, full color Seneca Valley Activities & Information Calendar that reaches thousands of our community members. More than 7,300 students and nearly 900 staff members display this calendar on refrigerators as well as classroom and office walls all year long. For more information or for pricing, please contact the Communications Department at communications@svsd.net.

Alumni

Seneca Valley is proud of their graduates who have excelled in their careers. Be sure to let us know if you would like to be featured in our *Raider Pride* e-newsletter. To keep us in the loop, send your graduation year, a summary of your professional life and a brief review of how Seneca Valley helped pave the way to: Linda Andreassi, Communications Director at andreassill@svsd.net.

THE GIFT OF HOPE, THE PROMISE OF EXCELLENCE

Seneca Valley Foundation

The Seneca Valley Foundation (SVF) is a private, 501(c)(3) non-profit corporation dedicated to encouraging excellence and innovation in the Seneca Valley Schools. The Foundation fulfills its mission by seeking donations and patrons to facilitate the development of new capital projects, programs and scholarships. Its board members consist of stakeholders from local business leaders, community leaders and school leaders. As a non-profit organization, the Foundation is also utilized as a vehicle by which memorial and other charitable donations may be made to the Seneca Valley School District.

Now in its 11th year of operation, SVF has donated over \$1 million dollars to the District through teacher-inspired initiatives, classroom enhancements, capital improvement projects and professional development and is eager to do more. Your generous support will allow us to continue our efforts for the benefit of all Seneca Valley students and staff.

Donations can be made online: <https://www.mightycause.com/organization/Seneca-Valley-Foundation> or via check made payable to:

Seneca Valley Foundation
Attention: Annie Mersing, Development Director
124 Seneca School Rd.
Harmony, Pa. 16037

Additional information about the SV Foundation can be found by visiting our website: www.svsd.net/SVFoundation. Questions or suggestions are welcome by contacting Ms. Annie Mersing, Development Director, via email at mersingam@svsd.net.

More district information can always be found by visiting our website at svsd.net.

Policies, Procedures & Information

(Summaries are posted here; complete policies can be found at www.svsd.net/schoolboard)

Discrimination/Title IX Sexual Harassment Policy (103, 104)

The policy of this district is to provide an equal opportunity for all students to achieve their maximum potential through the programs and activities offered in the schools regardless of race, color, age, creed, religion, sex, gender, sexual orientation, genetic information, ancestry, national origin, marital status, pregnancy, or handicap/disability and all persons equal access to all categories of employment in this district, regardless of race, color, age, creed, religion, sex, gender, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy, or handicap/disability. The Board also declares it to be the policy of this district to comply with federal law and regulations under Title IX prohibiting sexual harassment, which is a form of unlawful discrimination on the basis of sex. Violations of this policy may result in disciplinary consequences under applicable Board policy and procedures.

Physical Exams, Screenings, Laws and Immunizations (203)

The Pennsylvania School Health Law requires that each child receive a physical examination upon entry into school and in grades 6 and 11, and a dental examination upon entry and in grades 3 and 7. The district recommends that these examinations be completed by the child's physician and dentist (Payment for private exams is the responsibility of the parent). If examinations are not completed, the child will be scheduled at school for an exam. State mandated health screenings that are conducted by the school nurses include: vision, hearing, height, scoliosis, weight and calculation of a Body Mass Index (BMI)-for-Age percentile. The BMI-for-Age percentile is used as a guideline to help assess whether an individual may be overweight or underweight. This information will be sent home to the parent/guardian of each student. BMI should be considered a screening

tool only. School immunization regulations of the Pennsylvania Dept. of Health require all students attending public or non-public schools to provide proof of proper immunization. A student shall be exempt from the requirements for immunization whose parent objects in writing to such immunization for religious grounds or whose physician certifies that the child's physical condition contraindicates immunization.

HIV Information (203.1)

By law, Seneca Valley is required to provide instruction about Acquired Immune Deficiency Syndrome (AIDS). The educational program shall: be taught at every level, primary through grade 12; follow content guidelines prepared by the Centers for Disease Control; be appropriate to students' developmental levels, behaviors and cultural backgrounds; stress the benefits of abstinence from sexual activity, alcohol and other drug use; address students' own concerns; include means for evaluation; be an integral part of a coordinated school health program; be taught by well-prepared instructors with adequate support; and involve parents and families as partners in education. Parents and guardians shall be provided convenient opportunities to preview all HIV prevention curricula and materials. For more information, please contact your building principal.

Attendance Policy (204)

A student shall not be granted credit for any semester course if unexcused absences from that course total more than five (5) periods per semester or for any full year courses that total more than ten (10) periods for the year. Class period absences may include but not be limited to illness, truancy, vacations, parent/guardian sponsored educational experiences, college visitations, service-related tests or physicals, and doctor appointments. A student is not considered absent from class if s/he has been physically present any part of the period. Students will be afforded the opportunity to complete assignments, classwork, and tests missed during an unexcused absence.

However, students will not receive credit and will be assigned a score of zero (0) for any such assignments, classwork, or tests missed during an unexcused absence. Students of compulsory age having illegal absences will also be subject to the attendance laws prescribed by the Pennsylvania School Code of 1949. Students who are eighteen (18) years old or older do not come under the compulsory attendance law. Therefore, their unexcused absence(s) will result in notices mailed to parents/guardians and possible loss of credit for the affected course(s). Attendance regulations require that a student who is absent for ten (10) consecutive school days be removed from the active roster unless there is evidence that the absence is legal or that there is evidence that compulsory attendance prosecution is under way.

Records Policy (216)

As a parent of a student in the Seneca Valley School District you have certain rights which are guaranteed by the Family Educational Rights and Privacy Act, 1974 and the Pa. State Board of Education's Regulations. You have the right to review, inspect, or obtain a copy of the records. You may make a written request for copies of your child's records for a fee. If you believe that any information is inaccurate or misleading, you may challenge the contents of the records. You have the right to refuse consent where such permission is needed for releasing certain student information. Should you feel the district is not providing these rights, you may file a complaint with the Family Educational Rights and Privacy Act Office. Various non-confidential information can be released to outside agencies without your consent. This directory information consists of name, address, telephone number, date and place of birth, major field of study, honors won and offices held, recognition for achievements, recognition of graduating seniors, participation in officially recognized activities and sports, weights and heights of members of athletic teams, dates and attendance. If you do not want directory information about your child released and/or to view such info., notify the building principal in writing by September. Students or their parents or guardians who wish to "opt out" of having their information shared with military

recruiters or institutions of higher education or both should also send a detailed written request to your child's school by the end of September. To request a copy of this policy, call the Assistant Superintendent's office at (724) 452-6040, ext. 1760.

Reporting Student Progress Policy (212)

The Board believes that the cooperation of school and home is a vital ingredient in the growth and education of the whole child. It recognizes its responsibility to keep parents/guardians informed of student welfare and progress in school. Beginning with the class of 2024, graduation speakers will be selected utilizing the following procedures:

- At the conclusion of the third grading period, the top two percent (2%) of students in the class will be offered the opportunity to try out for two (2) speaker positions.
- The remainder of the graduating class will be offered the opportunity to try out for one (1) at-large speaker position.
- The class president of the graduation class will complete the "turning of the tassel."

All valedictorians and salutatorians will be recognized during the graduation ceremony.

Weapons Policy (218.1)

Possession of weapons in the school environment is a threat to the safety of students and staff and is prohibited by law. The Board prohibits students from possessing and bringing weapons and replicas of weapons into any school district buildings, onto school property, to any school-sponsored activity, and onto any public conveyance providing transportation to school or a school-sponsored activity. The school district shall expel for a period of not less than one (1) year any student who violates this weapons policy. Such expulsion shall be given in conformance with formal due process proceedings required by law. The Superintendent may recommend modifications

of such expulsion requirement on a case-by-case basis and/or require student(s) to undergo extensive individual counseling. In the case of an exceptional student, the Superintendent shall take all necessary steps to comply with the Individuals with Disabilities Education Act.

Terroristic Threats/Acts Policy (218.2)

The board prohibits any district student from communicating terroristic threats or committing terroristic acts directed at any student, employee, board member, community member or school building. The school district will recommend expulsion and may seek restitution for all costs incurred when a student's conduct results in the evacuation of school district property. A student may also be charged with criminal violations. The district will exercise the right to conduct random metal detector searches or unannounced weapon sweeps.

Tobacco Use Policy (222)

The Board prohibits tobacco use and possession of tobacco, electronic cigarettes or any tobacco-related device by students at any time in a school building and on any property, buses, vans and vehicles that are owned, leased or controlled by the school district.

Substance Use/Abuse Policy (227)

Seneca Valley School District prohibits the possession, use, misuse, being under the influence of, or the distribution by students and unauthorized personnel of drugs (controlled, noncontrolled or mood-altering substances), look-alikes, designer drugs, drug paraphernalia, health endangering substances, medication not registered with the health office, or alcohol on school district property, at any school-sponsored event, in any conveyance providing transportation to or from school or school-sponsored events, while traveling to or from school or school sponsored events or during activities under school district jurisdiction. Students in violation of this policy will be suspended and may be expelled. Students

suspected of illegal activities will be referred to law enforcement. The district will conduct random drug sweeps at various times throughout the year.

Drug and Alcohol Awareness for Athletic Programs, Extracurricular Activities and Student Drivers (227.1)

This policy is an extension of the Substance Use/ Abuse policy as listed above. This policy can be found in its entirety on the district website or from your child's building principal. This policy encompasses all students in grades 7-12 and requires drug testing of any student wishing to participate in any extra-curricular activity, athletic activity or those who meet the district's guidelines to drive on campus and wish to obtain a parking permit. The policy also includes those students being educated by the district under special circumstances, including home schooling.

Responsible Use of Personal Technology Resources (237)

The Board, while recognizing that technology is an essential element of 21st century education, adopts this policy to establish guidelines for the use of personal technology resources in order to minimize disruptions to and maintain a safe educational environment. Student smartphones or other personal electronic communication devices ("devices") may come to school but must be stowed on your person and out of sight or stored in a locker or backpack. The use of any electronic device is strictly prohibited in bathrooms and locker rooms. Because students have such a wide developmental range, grades K-12, appropriate building-level rules have been developed. See your child's handbook for details on the procedures and consequences.

Hazing Policy (247)

The board does not condone any form of hazing, which is any activity that recklessly or intentionally endangers the mental health, physical health or safety of a student for the purpose of initiation or membership in or

affiliation with any organization. Any hazing activity, whether by an individual or a group, shall be presumed to be a forced activity, even if a student willingly participates. The district will investigate all complaints of hazing and will administer appropriate discipline to any individual who violates this policy.

Equal Opportunity Employer (404)

The Seneca Valley School District will not discriminate on the basis of race, color, national origin, age, sex, disability or any other legally protected classification in the employment or in the administration of any of its educational programs and activities. Announcement of this policy is in accordance with state and federal laws including Title IX of the Educational Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990. To inquire about, obtain a copy of or to file a complaint relating to this policy, contact Human Resources at SVSD, 124 Seneca School Road, Harmony, PA, 16037 or call (724) 452-6040, ext. 1760.

Child Abuse (806)

It is the objective of the Seneca Valley School District to provide a safe environment for district students and staff. School employees, independent contractors, anyone supervised or managed by such school employees and independent contractors and volunteers who are directly responsible for or has direct contact with children, or anyone who on the basis of the individual's role as an integral part of a regularly scheduled program, activity or service is responsible for the child's welfare or has direct contact with children ("Reporters"), shall make a report of suspected child abuse if they have reasonable cause to suspect that a child is the victim of child abuse under any of the following circumstances:

- The Reporter comes into contact with the child in the course of employment, occupation and the practice of a profession or through a regularly scheduled program, activity or service.

- The Reporter volunteer is directly responsible for the care, supervision, guidance or training of the child.
- A person makes a specific disclosure to a Reporter that an identifiable child is the victim of child abuse.
- An individual fourteen (14) years of age or older makes a specific disclosure to a Reporter that s/he has committed child abuse.
- A child is not required to come before the school employee, independent contractor or volunteer in order for that individual to make a report of suspected child abuse.

Media/Website Notice (902)

As part of an on-going process to generate good news about our schools, the Seneca Valley School District will be inviting the media inside our classrooms to learn about our outstanding academic programs and events. We will also publicize events and activities via our website at www.svsd.net. Parents/Guardians who do not wish to have their child's name, photograph or other personal information to appear in any media or district publications, including but not limited to, the internet, newspapers, magazines, etc., must submit written documentation to the appropriate building principal.

Volunteer Clearance Procedures (916)

In an effort to safeguard the well-being of Seneca Valley students, clearance guidelines were approved by the school board: Long-term volunteers who expect to be with students without a district employee within reasonable proximity, or volunteers for any overnight activity, shall be required to have an Act 34 Criminal History Report, an Act 151 Child Abuse Clearance, and an FBI (as appropriate) clearance on file at the individual school at which they are volunteering. For information, contact Human Resources at (724) 452-6040, ext. 1760.

CULTIVATING CURIOSITY

Connoquenessing Valley Elementary School students in Spanish class take part in hands-on learning activities. Developing a student's curiosity is all about showing them the world.

CULTIVATING CURIOSITY

Through instruction, technology and innovation, Seneca Valley Academy of Choice (SVAOC) is successfully meeting our students' growing needs. We do this through a variety of resources that help to meet their diverse interests and hone their curiosity for what the future will hold.

CULTIVATING CURIOSITY

Haine Elementary students take part in physical education stations that require individual and group collaboration, as well as the need to tackle new challenges. Cultivating curiosity through these types of activities helps promote creative problem solving.

CULTIVATING CURIOSITY

Seneca Valley's transition planning and services recognize the student's current strengths, interests, preferences and needs, and then identify which services and support he or she will need to achieve future success. It's no surprise that students thrive in curious environments.

CULTIVATING CURIOSITY

Creating a piece of art is the truest expression of an idea. At Ehrman Crest Elementary School, students take part in this expression through art classes, visiting artists and special projects. It's fun to be curious learners; to try new things, to be bold, to improvise and even, at times, to make a mess.

Cultivating Curiosity at Seneca Valley is the core of what we do as educators. Our goal is to instill passion and purpose, encourage creativity and innovation, and strengthen student agency. We utilize effective instructional practices to engage with and meet the needs of all students. We offer academically challenging opportunities while stimulating critical thinking and encouraging the development of personal skills.

"We keep moving forward, opening new doors, and doing new things, because we're curious and curiosity keeps leading us down new paths." – Walt Disney

The activities calendar is a nationally recognized, award-winning publication that is generously paid for by businesses and vendors as noted inside. We thank them for their continued support of Seneca Valley!

Calendars are mailed only to those students in grades 7-12 who have no siblings in the K-6 grades. Students in grades K-6 will receive a calendar in their classrooms during the first month of school.

The enclosed activities were current as of press time, August 1, 2023.
