

SV Intermediate High School Construction Survey

The Seneca Valley School District is collaborating with CannonDesign, a global architectural firm, to design and re-create the Seneca Valley Intermediate High School (IHS). Students, parents and staff were invited to give their thoughts on what they believe are the needs and preferences of such a project including outdoor areas and open spaces surrounding the building and secondary campus.

Most important to the Seneca Valley experience:

Security & Safety (85%)

Academic Programs (78%)

Physical, Social, Emotional
Wellness (69%)

It is important / very important to improve these spaces:

- Science Labs (71%)
