

Why choose SV?

Seneca (Valley) is the better choice for us because we believe our children will receive the best education and attention to their specific needs. We researched schools and spoke to numerous families and we made the decision to enroll our children (at SV).

We purposely moved about two years ago to be in the SVSD because of the excellent reputation the school district has.

I went to Seneca (Valley). It's one of the best districts in the area.

We chose to buy a house in Cranberry partly because we wanted our daughter to attend Seneca Valley. We feel that Seneca Valley will give her a depth and variety of educational experiences, along with quality academics.

It has strong academics and it is in an area we wanted to live in.

Excellent reputation for caring, professional staff. SVSD provides options for educational opportunities and acceleration.

The above quotes are feedback provided to us from people who recently moved into the District.
