Leading By Example!

The Pittsburgh Business Times (PBT) came out with their Annual Guide to Western Pennsylvania Schools in April 2013. In it, Seneca Valley is ranked number 12 out of more than 100 western Pennsylvania schools, and number 43 out of 500 state-wide schools. Add to that the **Seneca Valley Middle School's 2012 National Blue Ribbon School Designation**, the successful implementation of the Seneca Valley Academy of Choice, and major improvements in curriculum, instruction and technology over the past few years, and you have what many, including our state leaders, are calling ***"a premiere school district others are beginning to notice."***
