A meeting under this step shall take place within ten (10) workdays after such a request. If the grievant is not satisfied with the disposition of the grievance, the grievance may be taken to Step One of the formal procedures.

b. Formal Steps

STATE OF FLORIDA
PUBLIC EMPLOYEES RELATIONS COMMISSION

IN RE

PEITION OF THE DESOTO
COUNTY TEACHERS'
ASSOCIATION TO AMEND
CERTIFICATION NO. 1890.

Case No. AC-2017-014

FINAL ORDER AMENDING
CERTIFICATION 1890

Order Number: 17E-205
Date Issued: July 26, 2017

Thomas W. Brooks, Tallahassee, attorney for Desoto County Teachers' Association.

Eugene B. Waldron, Arcadia, and Mark E. Levitt, Winter Park, attorneys for School District of Desoto County.

On June 8, 2017, the DeSoto County Teachers' Association (Teachers' Association) filed a petition seeking to change the name of the certified bargaining agent in Certification 1890 to the DeSoto County Educators Association. On July 10, the Commission-appointed hearing officer issued an order recommending that the requested amendment be granted because it involved a mere name change and the procedures used to accomplish the change were consistent with the applicable constitution and bylaws. *See In re Petition of the North Collier Professional Fire Fighters and Paramedics, International Association of Fire Fighters, Local 2297, AFL-CIO to Amend Certification 1863*, 43 FPER ¶ 193 (2017). On July 13, the Teachers' Association filed a notice that it waived its right to file exceptions to the hearing officer's recommended order. The Employer, the School District of DeSoto County, did not file exceptions to the recommended order.

Upon consideration, and for the reasons stated by the hearing officer, the Teachers' Association's petition is GRANTED. Accordingly, Certification 1890 is amended to designate the DeSoto County Educators Association as the certified bargaining agent. It is incumbent that the Teachers' Association update its registration to reflect its new name. *See In re Petition of the Hillsborough School Employees Federation to Amend Certification No. 685*, 43 FPER ¶ 115 (2016).

This order may be appealed to the appropriate district court of appeal. A notice of appeal must be received by the Commission and the district court of appeal within **thirty** days from the date of this order. Except in cases of indigency, the court will require a filing fee and the Commission will require payment for preparing the record on appeal. Further explanation of the right to appeal is provided in Sections 120.68 and 447.504, Florida Statutes (2016), and the Florida Rules of Appellate Procedure.

It is so ordered.

APPENDIX 2: EMPLOYEE COMPENSATION PLAN

Please refer to School District of DeSoto County website www.desotoschools.com under Departments-Human Resources-Documents for School Board Approved 2024-25 Compensation Plan.

APPENDIX 3: EMPLOYEE SICK LEAVE TRANSFER PROGRAM

Employee Sick Leave Transfer Program

Purpose

The purpose of the *Employee Sick Leave Transfer Program (ESLTP)* is to establish a means by which all full-time district employees may donate sick leave time to, or accept sick leave time from, other full-time district employees, regardless of their familial or marital relationship.

The ESLTP replaces the current Sick Leave Bank which is currently only available to instructional personnel who voluntarily enroll.

Eligibility for Membership

All full-time district employees who have completed one (1) employment or contract year without a break in service with the DeSoto County School Board are eligible to receive sick leave time through the ESLTP.

Conditions for Donating Sick Leave Time

- The donor employee must designate the employee to whom the donated sick leave time is to be given and the number of sick leave hours to be donated to that employee.
- The donor employee must maintain a balance of sick leave time equivalent to 10 days (usually 75/80 hours) for his/her own use.
- The donor employee must reclaim any unused sick leave time given to another employee in the ESLTP. Reclaimed sick leave time will retain its terminal value for the donor employee.

Conditions for Receiving Donated Sick Leave Time

- The recipient employee must have used all accrued sick and annual leave time.
- The recipient employee must not be collecting workers compensation.

- The recipient employee must not have used more than 60 days (usually 450/480 hours) of transferred sick leave time in the preceding twelve month period.
- The recipient employee must have suffered an illness or accident which requires absence from the workplace for a minimum of 5 consecutive days. Such illness or accident must be documented by the Florida-licensed treating physician within 5 working days of the request.
- The recipient employee will not accrue additional sick leave time while out of work on the Employee Sick Leave Transfer Program.
- Excluded from the ESLTP are absences from the workplace due to
 - Elective and/or cosmetic surgery
 - Pregnancy and/or childbirth without medically verified complications
- Sick leave time transferred to a recipient employee has no terminal value for that employee.

The Donating/Receiving Process

- It will be the responsibility of the employee seeking donated sick leave time to provide physician documentation to the Benefits Specialist in the Department of Human Resources. This documentation must certify that a minimum of 5 consecutive days of absence from the workplace is required and must estimate the total length of time the employee will be unable to work.
- The employee seeking donated sick leave time must complete the ***Request for Sick Leave Transfer*** form and approve the release of any information distributed to employees for the purpose of requesting donations of sick leave time. If the employee is unable to complete the Request form, the bookkeeper at his/her worksite may complete and submit the form upon request.
- The request for donations of sick leave time will be posted, circulated, or otherwise distributed by the bookkeeper at the employee's work site and, if requested, among all district employees at all work sites by the HR Department.
- Employees wishing to donate sick leave time must contact the Benefits Specialist in HR and complete the ***Sick Leave Transfer Authorization*** form in a timely manner.

- The ***Sick Leave Transfer Authorization*** form must be approved by the Associate Director of Human Resources and forwarded to the appropriate personnel in the Finance Department for implementation.
- No more than 60 days (450/480 hours) of sick leave time may be transferred to any one individual within a 12-month period.
- If more sick leave time is donated than is needed by the employee, donors will be selected chronologically by date and time of donation. If multiple donors submit forms as a group at the same time, the needed donors will be selected at random from the group. Donors of all remaining, unused donated sick time will be notified by Human Resources that their donated sick leave time was not used.

APPENDIX 5: SAFE DRIVER PLAN

The School Board of DeSoto County Administrative Procedures

8600B - BUS DRIVER SAFETY (SAFE DRIVER PLAN)

In order to qualify and remain employed by the School Board, every bus driver must establish and maintain an overall driving record which exemplifies careful driving habits and meets the criteria prescribed by this plan. The associate director is responsible for monitoring all driving records and all bus drivers will be required to report the following to the associate director:

- A. all accidents and violations in which they are involved as the driver of a Board-owned/leased vehicle;
- B. all accidents and violations in which they are cited or charged as the driver of non-school owned/leased vehicles;
- C. all evidence of damage to assigned vehicle(s);
- D. suspension or revocation of driver's license. No driver shall be allowed to drive a vehicle belonging to or leased by the Board without proper license or when such license is under suspension or revocation.

Failure to report within twenty-four (24) hours or before the next driving assignment or making false misleading report(s) may be grounds for termination of employment.

Drivers shall not be assigned points until court action is taken. The effective date of the points assigned shall be the date of the first meeting following the date of conviction.

For monitoring purposes, driving records will be checked by using the weekly driver records checked, required by the Department of Education.

This plan will be applicable to those employees who are listed on the District's drug/alcohol testing program pool and prospective school bus drivers. No primary employee, as defined in the drug/alcohol testing program, will be terminated based on his/her driving record prior to the original effective date of this plan. Prospective employees (drivers) will not be hired if, according to this plan, they have more than four (4) points in the last year or more than eight (8) in the last seven (7) years or convicted of a DWI, DUI, or DUBAL. If an employee is terminated as a driver due to his/her driving record and desires re-employment s/he may apply for employment and will be considered for employment in a non-driving position. Any substitute employee or volunteer driver, as defined in the drug/alcohol testing program, whose driving record does not meet the point criteria described in this section will be allowed to drive a bus after the original effective date of this plan.

The driving record of all Board bus drivers (primary employees, substitute employees and volunteers) will be reviewed at least twice annually. The committee shall assign points as convictions occur according to the schedule at the end of this procedure. A driver involved in a single accident or event and convicted for more than one (1) violation will receive no less than the maximum points assigned to the highest violation category.

A safe driver plan committee will administer this plan. The committee will be organized and trained to perform the following duties:

- A. to determine if an accident was preventable in accordance with the definition found in the Nation Safe Driver Award Rules and Guidelines;

A preventable accident is any occurrence involving an employer owned or leased vehicle which results in property damage regardless of who was injured, what property was damaged, to what extent or where it occurred in which the driver in question failed to do everything reasonable to prevent it.

- B. to make recommendations to the Superintendent or designee concerning positive corrective action to be taken;
- C. review any convictions for driving violations;
- D. assess points in accordance with the attached schedule to this plan.

A safe driver plan committee consisting of the individuals in the following positions will administer the plan:

- A. transportation dispatcher;
- B. a driver to be selected by the associate director;
- C. school bus driver trainer.

The Associate Director of Transportation shall establish a schedule for review of driver's records and shall provide to the Chairperson a record of convictions in accordance with this plan. An employee has the right to appeal assessment of points and/or administrative actions relating thereto by requesting a hearing before the safe driver plan committee. This appeal shall be by letter to the Chairperson within five (5) working days of receipt of notice of committee action and will state the employee's objections in detail.

Each employee shall be given an opportunity to read this plan and have all his/her questions answered. Each employee shall sign a form indicating that s/he has read this plan.

APPENDIX 6: EMPLOYEE EVALUATION FORM

Instructional Support Evaluation Information

Evaluation Procedures:

If an employee is completing his/her job responsibilities effectively an "E" (or Effective) will be indicated for each applicable dimension of the evaluation. If improvement has been noted AND the employee has received feedback via the Instructional Support Feedback Form or through progressive discipline then "NI" (Needs Improvement) or "U" (Unsatisfactory) may be indicated.

Needs Improvement Rating - If one Instructional Support Feedback Form was discussed and provided to the employee for one given dimension an "NI" may be indicated for that dimension. This indicator may be marked if an oral reprimand was received and is in alignment with an indicated dimension of the evaluation.

Unsatisfactory Rating - If two Instructional Support Feedback Forms were discussed and provided to the employee for one given dimension a "U" may be indicated for that dimension. This indicator may be marked if a written reprimand was received and is in alignment with an indicated dimension of the evaluation.

Evaluation Results:

If two or more dimensions are rated as "U" (or Unsatisfactory) that would constitute an overall Unsatisfactory evaluation.

District Improvement Plan:

A District Improvement Plan will be initiated if an overall rating of Unsatisfactory is indicated on the Instructional Support Evaluation. If a District Improvement Plan (DIP) is initiated the DIP Team [Director of HR, evaluator, employee, and representative (if applicable)] must meet within 20 working days of the time that the evaluation was presented to the employee in order to begin implementation of the process.

At the first meeting, the evaluator must specifically outline areas of unsatisfactory performance and present what improvements would be necessary for the performance to be considered satisfactory. The evaluator must also recommend prescriptions for improvement in the specific areas of concern. The employee has the right to have representation at all meetings during the District Improvement Plan process.

Within 20 working days of the first meeting of the District Improvement Plan process, a written plan of improvement must be presented by the evaluator to the employee. The plan must define specific persons, procedures, activities, or training which will assist the employee in achieving success. The plan evaluation period will last approximately 100 working days. The plan may be terminated prior to the 100 working days by mutual agreement if deficiencies have been remedied.

The plan will outline specific meeting times for the DIP team members and the employee to share feedback on the progress of the plan. Meetings will be held on approximately day 25, 50, and 75 of the evaluation period. Within ten days of the conclusion of the 100-day evaluation period, the evaluator will undertake another complete evaluation. If the employee has not achieved the goals of the improvement plan, s/he may be recommended for termination. The result of the evaluation will be presented to the employee at the final evaluation meeting (at approximately the 100th working day).
