Allegheny Health Network brings comprehensive cancer care to communities throughout western Pennsylvania. They have more than 20 AHN Cancer Institute locations and are opening five new state-of-the-art oncology facilities. New testing and screening procedures, immunotherapy, and image-guided radiation are just a few of the breakthroughs saving lives and changing people's story from I have cancer to I had cancer.

**Each and every gift is truly appreciated.**

**Our Grand Total for 2019 is \$ 19,142.50**

It is our sincere desire to help **STOMP** out cancer and we deeply appreciate having these businesses and all of YOU as part of our team!
