Accessing SV Resources at Home

Students can access the digital Seneca Valley School District Resources from home with their SV credentials and internet access from any mobile device or desktop.

1. Students will need their Seneca Valley username and password, following the example below.

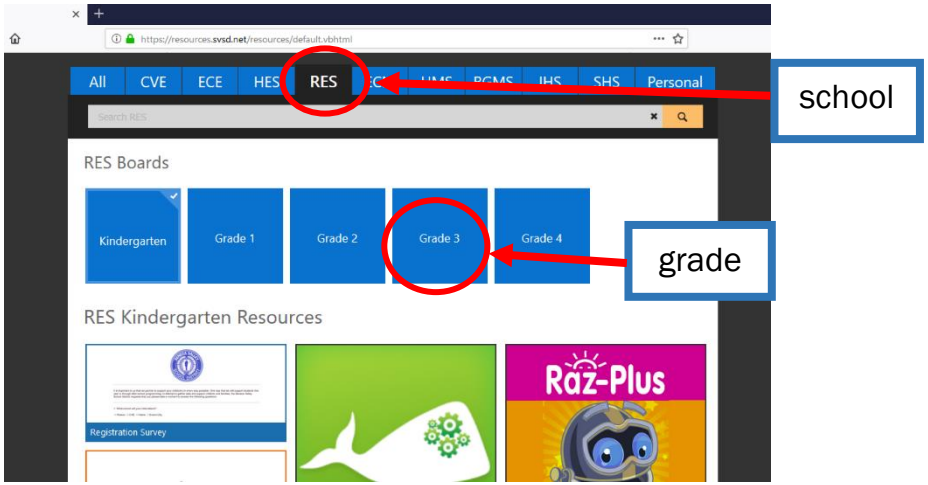

Student Name: Dwight K. Schrute
Password: 6-digit student ID

Student Username: schrutedk
Password: 123456

SV Email: schrutedk@svsd.net

2. Type https://resources.svsd.net/ in a web browser. This will prompt the user for their username and password.

3. Click the resource to access.
   Select the school and grade level

4. Select “Log in with Active Directory” and enter the SV email and password.
   Enter the full email and not just the username.
