Flipgrid

What is Flipgrid

It's a social learning platform to share ideas through video discussions. Give each student a voice!

Be the Student!

There are various ways to access a Grid as a student:

- Send a Link
- Share an Access Code
- Give a QR Code

Be the Teacher!

Sign Up

- Go to www.flipgrid.com
- Select Sign up → Sign up with Microsoft → Enter your svsd.net email

Create a Grid

- Select *Add New Group* and give your grid/group a name
- Select *School Email* as the Grid Type → select *Next* (this protects our students' privacy!)
- Add @svsd.net as the school email domain → select Next

Add Topics

- Select your Group
- Select *Add New Topic* → Create all content and set all "rules" for Group
    - By selecting *More Options* at the bottom of the page you can see all classroom management features

Classroom Management

As the teacher, you can enable or disable the following features on every Grid:

- The media resource (videos, images, Nearpod, Newsela, etc.)
- Link attachments
- Approve videos before they show up
- Student-to-student replies
- Active/Frozen/Hidden grids
- Launch and Freeze Dates
- Video Titles
- Filters, Stickers, Drawings
- Video editing
- Attachments included in response
- Likes
- View count
- Feedback (rubric)

Helpful Tip

Add a Co-Pilot to any Grid to collaborate with other teachers or duplicate a Grid to use the same one for different classes. Do this by clicking the Actions drop-down menu on your selected grid.
