Dear Lakeview Pre-K-12 Families,

We are excited to start the 2024-2025 school year at Lakeview. Our school has great teachers and staff, and they understand that students are our top priority. We will work hard to ensure they have the best educational experience possible. As we start the school year, we remind you that we want to improve student achievement, relationships, and community collaboration and maintain a respectful, safe, and caring school environment. The custodial staff has been hard at work getting the school to look its best, and thanks to your community support, Lakeview Public Schools has one of the best facilities for our students.

“The Laker Way” is the foundation of one school and one heartbeat. We take pride in not making excuses, making great sacrifices, doing what is right, dreaming big, and representing our community, school, families, and ourselves to make Lakeview Schools the best. Our theme this school year is “Be Connected.” When a group of people is connected together, it implies unity, social connection, professional connection, emotional connection, and most of all, communication. Laker Nation, it is time to “Connect”!!

We are stronger together. When we take the time to care for one another and believe in one another's potential, we make our entire community better for our students and ourselves.

Below are a few items to take note of:

- **Open House for Grades Pre-K -12 is Wednesday, August 14th, from 5 PM -7 PM**
- All new students and 7th-grade orientation for all students and parents will be held at 6 pm in the auditorium.
- **The First Day of School is Wednesday, August 21st.**
- Each family is asked to complete the “Application of Education Benefits” form. This confidential form is used to determine some of Lakeview's funding. Additionally, it is used to determine if your family qualifies for free or reduced lunch rates. If you have questions about the form, please feel free to discuss the form with Mrs. Karen Meiners.
- We've enclosed a school calendar for your convenience. Please note the early out dates and holidays. Additionally, school attendance is crucial for your child's success.
- Please review the student handbook online. Access this by going to www.lakeview2167.com, selecting the students and parents tab, and selecting Handbooks, Calendars, and Links from the drop-down menu. Paper copies are also available upon request.
- Please fill out and sign each student's Chromebook/iPad and student handbook consent form before you come to the open house. All fall sport student athletes will coordinate pick up times with our tech. dept during that day.
- New Families: Please stop by the Community Education office right off the commons to set up your child's lunch account.
- If you have any questions or concerns about bussing, please call John Caron at Palmer Bus at 507-423-6080. All families need to register their child for transportation each year, if you haven't done so already, go to the Lakeview website and fill out the Palmer Bus Transportation Form.
