Responsibilities:

- Provide individual and group counseling services to students facing social, emotional, and behavioral challenges.
- Collaborate with teachers, parents, and administrators to develop and implement intervention strategies to support student success.
- Conduct assessments to identify students in need of counseling services and create tailored intervention plans.
- Facilitate workshops and programs aimed at promoting mental health awareness and well-being.
- Maintain accurate and confidential student records in compliance with school and grant guidelines.

Qualifications:

- Master's degree in Social Work, Counseling, or a related field.
- State licensure or certification as a School Social Worker or Counselor.
- Experience working with diverse student populations in an educational setting.
- Strong communication and interpersonal skills.
- Ability to adapt to a changing and grant-dependent work environment.

Duration: This position is contingent upon the availability of grant funding and may expire once the grant is depleted.
