The State of Minnesota requires each new driver to complete 30 hours of classroom instruction and 6 hours of behind the wheel training with a Certified Drivers Training Instructor. Our behind the wheel will begin as soon as some of the older students obtain their permit after classroom is finished. They will be driving after school and on weekends. Most of the students will be scheduled in the summer. We will allow for some flexibility with the behind the wheel schedule.

The fee for the classroom instruction is \$120 payable to the office on or before the first day of class. The fee for Behind the Wheel Training is \$255 payable the first day your student drives.

\$50.00 Youth Scholarships available to those that qualify. Email or call Macy at Community Education at mwhiteside@nrheg.k12.mn.us or (507)417-2667 for an application or more information!
