ELEMENTARY SCHOOL VETERANS DAY PROGRAM

On November 10, Oriskany students participated in a Veterans Day program. Sessions were broken up into groups of two classes to accommodate proper social distancing.

To kick off the program, veterans in attendance were introduced; an informational short story was read, students performed songs and there was a question and answer period.

Students were excited to ask the veterans about their job duties, exciting travels and experiences as well as thank them for their brave service to our country.

Dear Oriskany Parents, Guardians, Families and Community Members,

As we enter the third marking period of the school year, I wanted to share some celebrations that we have had, together and collectively, throughout the school year. As you know, school districts have had to pivot and switch gears many times throughout the COVID-19 pandemic; including adjusting to instructional practices, ever-changing guidance and/or mandates involving the wearing of masks, quarantine, isolation, self-monitoring, mandated testing as well as other navigational landscapes.

I have never been more proud of our students, staff, families and community for their dedication, perseverance, tenacity, support, all hands on deck mindset and approach in continuing to place our students at the forefront of opportunity.

Having stated this, please know, this communicate will not be a continuous COVID-19 message. Although we will remain cognizant, attentive and proactive in addressing COVID-19 concerns, our focus will continue to place students first, providing multiple opportunities that all of our children want, need and deserve.

I want to begin with two quotes I find meaningful and inspirational during these times:

"It always seems impossible until it's done." - Nelson Mandela

"What lies behind us and what lies ahead of us are tiny matters compared to what lies within us." - Henry S. Haskins

Thank you to our entire staff for their endless dedication and efforts in continuing to provide in-person learning and extra-curricular opportunities for our students and for their positive mindset in continuously supporting and advocating for our students and their needs.

Thank you to our transportation personnel, buildings and grounds crew, cafeteria staff, administrative assistants, school nurses, SROs, director of athletics and other school support colleagues for keeping our students safe, buildings clean and sanitized, bringing smiles and laughter to the faces of students and for continuously building positive relationships with students that strengthen and support our District mission to educate, empower and engage.

Thank you to our awesome students for their outstanding character and integrity. Thank you for your acts of kindness and support for each other, collegiality and strength of will and fortitude. Not only do we learn from you, but you are also a pleasant reminder of youthful exuberance and a positive inspiration to us all. Keep inspiring!

Thank you to our families and community members for always rising to the occasion in support of our schools. Thank you for your kindness, dedication, passion, efforts, sacrifices and assistance in placing our children and students as the top priority for our District. The old adage, "It takes a village to raise a child," couldn't be more accurate and encouraging during these times as the strength of our Oriskany community's interactions with our students contributes greatly in providing a safe and healthy environment within our District.

As February rolls into March, the days are becoming cheerfully longer and brighter. We look for the weather to break towards welcomed sunshine and warmer days. I would encourage all of our students to take advantage of all the wonderful opportunities we have going on within our school – whether that be participating in a club or school sponsored activity, attending one of our afterschool enrichment programs, being part of an athletic team, utilizing our playground facilities, outdoor basketball courts and kick-ball fields or simply sharing a walk and talk with friends on our outdoor track.

Please do not hesitate to contact our building principals or me for additional information regarding any of the programs we offer at our schools or within the District. Accessing our [District website](#) and social media channels is another excellent pathway for keeping up on the happenings within the District.

We appreciate and look forward for your guidance, insight, collaboration, positive thoughts and support as we move forward into the spring season.

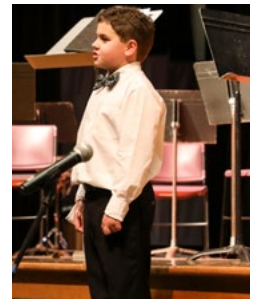

Be well, be safe and continue on with acts of kindness.

"What a simple way to tell another struggling soul that there is love to be found in the world."

Dear Parents, Students and Community Members,

As we enter the third marking period, thank you to the many people who have contributed to a successful year so far. Thank you to our students, parents, teachers, secretaries, custodians, school nurses, substitute teachers, school resource officer, cafeteria workers, teacher aides and assistants and the many others who have enabled us to navigate the constantly changing landscape that is COVID-19. We have put students' needs first throughout this time while remaining open for live, in-person instruction.

As we recently celebrated Dr. Martin Luther King Jr. Day in January, let us pause and recall a few of his many famous words:

"Intelligence plus character; that is the true goal of education."

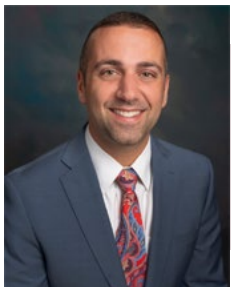

Students here at Oriskany have a wonderful starting point, thanks to the love and support from their families. Our teachers and staff work continuously to ensure that they provide the additional support necessary to build upon that firm foundation.

Every day, we each have opportunities to grow in both our intelligence and character. Defending an opinion with tact and respect during an MVCC government mock debate or determining the third angle of a triangle in geometry, are equally as important as stopping to help someone who dropped their books or sitting with someone who is alone in the cafeteria. We must never forget both parts of Dr. King's advice if his true legacy is to endure.

By the time this letter reaches you, it will be about time for the annual Super Bowl. What many people overlook when watching the big game is the hours and hours of preparation that occurred prior to when the players stepped on the field. Prior to the exams, quizzes, homework, Regents & advanced placement tests, our students work tirelessly in order to produce successful results when it's their "big day."

Thank you students for your continued effort!

As always, please feel free to reach out with questions or concerns.

Mark Ranieri
Jr./Sr. High School Principal

Greetings Oriskany Central School District Community,

I am honored to have this opportunity to introduce myself. My name is Catherine Mucurio and I have been given the privilege of becoming the new building principal at N.A. Walbran Elementary School. Since the beginning of my career in education, I have been passionate in my commitment to maximizing individual performance, providing a safe and comfortable learning environment and encouraging a sense of pride among all members of the school community. I have heard amazing things about this community, and I am looking forward to continuing the current traditions and working together to create new and exciting opportunities for our school.

As a new member of this community, allow me to take a moment to provide some background on myself and my experiences. I am a graduate of the University at Albany, City College of New York and The College of Saint Rose. I began my career in education in the New York City Department of Education as an elementary teacher with a focus on students with disabilities. After moving back upstate, I was able to continue my teaching in the Rome City School District and move into administration as the Assistant Director of Supported Learning and Principal of the Early Childhood Program. These experiences over the past 12 years have allowed me to grow personally and professionally and understand the importance of building positive relationships and communication with the school community. Outside of school, I am the proud parent of two young daughters and love looking for new, fun adventures to experience with them. In addition, I enjoy spending time with my family and friends, reading and spending time outdoors.

I have a strong belief that the faculty, staff, students and parents are all an essential part of building a great school community. The Oriskany CSD has established a reputation worthy of praise and admiration. I am thankful to be part of continuing to build upon the existing successes of the District, and together, we will provide a caring and safe environment to educate, engage and empower our students.

Some notable events and activities taking place in the upcoming weeks include our "Pick a Reading Partner" (PARP) program. This year's theme will be "A Sea of Books." We are also looking forward to our upcoming spirit week, celebration of 100 days of school and our Winter Fun Day.

Thank you, and I look forward to your children's continued success at N.A. Walbran Elementary School. If I can be of any assistance, please do not hesitate to contact me at 315-768-2149.

STANDING OVATION

Congratulations to two of our eighth grade chorus students who auditioned for the Oneida County Music Educators Association (OCMEA) and Junior High All-County (JHAC) Music Festival.

We are very proud of both Jessica Beckwith (who will represent the alto section in the Junior High All-County Chorus) and Aryanna Walker for auditioning and taking on this challenge. The competition was very tough and they both represented our school well in the audition process.

We are lucky to have such talented students here at Oriskany!

FUTURE BUSINESS LEADERS OF AMERICA

Congratulations to our Future Business Leaders of America (FBLA) members Karsten Bates, Patrick Maher, Tyler Macera, Mya Melvin, Payton Smith and Jack Tamburino for placing in the top three positions in their competitive events at the District 7 conference.

Patrick, Jack and Payton qualified for the state competition in Rochester this May.

STUDENT SABA PRESENTATION

On Feb. 9, Oriskany senior Eric Noga had the opportunity to speak at the Oneida-Herkimer-Madison (OHM) BOCES Cooperative Board meeting. He was part of the School and Business Alliance (SABA) presentation highlighting their programs. Eric spoke about his one-day shadowing experience at the Air Force Research Labs in Rome. Oriskany Superintendent Timothy Gaffney attended the event to support Eric and indicated that he did an excellent job with his presentation and represented Oriskany well.

FIRE INSPECTION

The Oriskany Central School District, in accordance with the *State Education Department (Ed. Law, Section 807-a (5) (a))*, has submitted annual fire inspection reports for the 2021-22 school year to the SED Office of Facilities Planning in Albany. The fire inspection was performed in December of 2021. The reports are available at the Business Office. If you are interested in viewing the reports, please call **315.768.2058** to set up an appointment.

Here Comes Santa Claus!

Carl Graziadei, an Oriskany Board of Education member, dressed as Santa Claus and visited the pre-K class, spreading holiday cheer!

NEW STAFF SPOTLIGHT

Tatyana Pavlova, School Nurse

Ms. Pavlova is excited to join the Oriskany CSD as a registered nurse. She received her associate degree in nursing and has worked at both St. Luke's Hospital and the Masonic Care Community. In her free time, she enjoys hiking, cooking and gardening. Ms. Pavlova is looking forward to becoming an important member of our Oriskany CSD family.

Emma Rogers, English Teacher

Ms. Rogers, an Oriskany CSD graduate, is excited to begin her career at Oriskany! She earned two bachelor's degrees from SUNY Potsdam in literature/writing and adolescent education, and is currently working on her master's degree in special education from Utica College. In her free time, Ms. Rogers enjoys cooking, walking her dog and spending time with family. She is thrilled to begin teaching in a small school district with such a strong sense of community like the Oriskany CSD!

Michelle Tikalsky, Secretary to Business Official and District Clerk

Mrs. Tikalsky is excited to join the positive and progressive team that is the Oriskany CSD. She received her bachelor's degree from Clarkson University and has spent 13 years working in several different educational support positions at the Rome CSD. In her free time, Mrs. Tikalsky enjoys painting and crafting as well as watching one of her three daughters play lacrosse at her alma mater Clarkson University. She is thrilled to join the Oriskany CSD family and to support the community, staff, families and students.

Catherine Mucurio, N.A. Walbran Principal

Mrs. Mucurio is very excited to be joining the close knit Oriskany community as the new principal at the N.A. Walbran Elementary School. Mrs. Mucurio began her educational journey studying sociology and criminal justice at SUNY Albany. After realizing her desire to be in public service and the joy that working with children brought her, she enrolled at CUNY City College to focus on students with disabilities in grades 1-6 and went on to study student educational leadership at The College of Saint Rose. Mrs. Mucurio began teaching as a special/general education teacher in Brooklyn, NY in 2009 and most recently served as the Assistant Director of Supported Learning/Early Childhood Program Principal at Rome Central School District. She has two young daughters who she enjoys staying busy with and loves the outdoors. Mrs. Mucurio is looking forward to becoming a part of the Oriskany Central School District family.

STUDENTS HELP BUILD WHEELCHAIR FOR DOG

At VCA New Hartford Animal Hospital, Dr. Harkins had a dog patient named Midnight with a unique set of challenges. Midnight was having issues with her rear legs and needed a small wheelchair.

Dr. Harkins, wife of Oriskany technology teacher Mr. Lallier, knew that her husband would have students with the skill and interest to build such a wheelchair.

Student Maggie Tylutki was quick to volunteer and came up with plans for the tiny wheelchair. Maggie took the plans that Mr. Lallier's former students used to 3D print a wheelchair and developed a new approach. She used computer-aided design software to develop a new design that could be cut out using the school's laser cutter. The wheelchair was cut out of several layers of plywood on the laser, decorated with acrylic paw print wheels and finished with purple paint to add some style for Midnight.

Midnight is currently getting used to the new wheelchair and testing out the first prototype. The hope is that this wheelchair can provide some comfort and support for Midnight so that she has an easier time getting around.

Thank you and congratulations to Maggie on a successful technology project and her desire to use her knowledge to give back to the community!
