TERM 6 - 12th July

The eco-schools' committee have been busy improving their garden for everyone to enjoy!

Term 6—12th July

Please try to walk, bike (cycle) or scooter to and from school. because:

It saves energy

It is wasteful to use cars for short journeys

It is good healthy exercise

It's better for the environment because exhaust fumes pollute the environment

There are too many cars outside the school and that makes us late. Also it is not safe.

It is better for your mental health because exercise gives you the feel good hormones.

Exercise is good for your body, it builds healthy muscles and bones.

Thank you

The Eco-SchoolsCommittee
