

# Little Medical School STEM Class Little Vet Dog School!

LMS offers STEM activity-based classes where we strive to inspire the next generation of Healthcare Heroes!  
We are offering a new 6-week class beginning in September.

After “adopting” their very own plush puppy, students will role-play the key responsibilities of a veterinarian, including how to properly perform a nose-to-tail exam. These future veterinarians will learn how to sew stitches, remove ticks, make healthy treats, and vaccinate their dog.

At Cherokee, Cochise, DCES, Hopi, Laguna,  
Pueblo, Sequoya, Tavan

3:20pm - 2:20pm

Up to 12 students

Grades K - 5

\$220/student
