WELCOME BACK LETTER

Dear Hoover Middle School Families,

Warm greetings to all of you! As we gear up for the 24-25 school year, we would like to extend a warm welcome to our new 6th-grade students joining our phenomenal school community. We will be having a 6th grade only family information meeting at the beginning of the year, so please be on look out for the date and time. At Hoover, we pride ourselves on being a place of excellence, filled with exceptional individuals.

Our dedicated teachers, counselors and staff are committed to providing top-notch education and support to our students. We are excited to announce that we will be sharing even more information and exciting news with you shortly. Stay tuned for updates!

We would like to draw your attention to our Family Resource Center, a valuable hub for resources and support. We encourage you to explore this valuable resource. Additionally, please take a moment to read our schedule pickup details. In the event that you miss the scheduled pickup, don't worry; you can visit the front office at another convenient time to obtain the necessary information.

As we prepare for the upcoming school year, we kindly request your attention to our dress code and cell phone policy. These guidelines are essential for maintaining a productive and focused learning environment. Please review them before purchasing any clothes for the year. We appreciate your cooperation. Furthermore, we would like to highlight the opportunity to donate clothes for students in need—an excellent chance to support our fellow students.

Hoover Middle School offers an array of engaging activities and opportunities for our students. From lunchtime activities with our little heroes to visual and performing arts, sports, school events, and enriching field trips, there is something for everyone. We encourage all students to actively participate and make the most of these enriching experiences.

Last year, we achieved remarkable progress in various areas, and we are determined to build upon those successes. Ensuring students are here and arrive on time is a priority, and we will soon share a targeted support strategy closer to the start of the school year. We kindly request the assistance of families in getting students to school promptly. At Hoover, we prioritize learning, and we strive to maintain a safe and inclusive environment. To that end, we are committed to eliminating physical incidents, bullying, and hate speech. We urge you to communicate to your children the harmful effects of such behaviors on their own education and that of their peers. As a restorative practice school, we prioritize trauma-informed approaches and treat our students with compassion and empathy. Open communication and speaking up are vital in fostering a positive climate and eliminating harmful behaviors. Should your child ever experience bullying, please inform their teacher or the appropriate administrators immediately. We value the safety and well-being of our students and are dedicated to creating an environment where their abilities are showcased and celebrated.

We sincerely hope you are enjoying the rest of your summer, and we look forward to another incredible year at Hoover Middle School. Let's make it impactful, meaningful, and positive for every student. Thank you for being part of our exceptional community! Always remember, WHEN I RISE, WE ALL RISE, GO HAWKS!!

Very Respectfully,

Mr. A

Dear Hoover Community,

What an amazing year! We are beyond proud of our promoting class. Our students showed immense character when faced with adversity. They rose above and beyond the call of excellence and should be proud of their accomplishments. We wish them well on their future and want them to know that Hoover is their forever home.

We also want to express our immense gratitude to our staff and parents that supported our students throughout this school year. Without their devotion, this would not be possible. Hoover is grateful for all your support. As our focus shifts to next year, we will work together to ensure Hoover continues to rise. We will maintain our student-centered vision as we plan for the upcoming year.

In closing, we want to highlight that parent/community involvement is critical to our success. Please reach out if you are seeking an opportunity to get involved. We wish you all an amazing summer and look forward to seeing you all on campus soon.

Kindly,

Jaime Barrera Paz

Dear Hoover Hawks,

It is with great excitement that we welcome you all back for the 2024-25 school year. We are beyond excited to build on the successes that we had last year at Hoover. We would like to welcome our new 6th grade class to the Hoover Family. We hope that y'all have had the opportunity to get re-energized for a great year at Hoover.

I will be the advisor for all 6th grade students. I look forward to collaborating with our 6th grade families in planning to making this a great start to your Middle School years! I am also excited to seeing the growth our 7th and 8th grade students make this year. Together we accomplished a lot of great things last year and there is no doubt in my mind our 7th and 8th graders will welcome our 6th new Hawks with open arms and empathy.

We hope that you are all excited to participate in all the different activities and programs that we offer at Hoover. Everyone will have an opportunity to join one of our many sports teams, Visual Performing Technical Arts (VPTA) Programs, or other activities that we offer. If you feel that sports or VPTA are not for you, bring your ideas to Hoover and we can help create interesting new programs for everyone.

My experience as a coach has taught me that to reach our goal, trust and collaboration amongst the team is extremely important. Thus, the success of our school community depends on every single member of our community, from our staff to our parents, to every single student here on campus. We strive to create a safe and welcoming environment for everyone. To do so, we implore our students to speak up and speak out when they witness unsafe behavior. I look forward to not only working with, but also learning from each one of you. I am beyond excited to be part of this community!! When I RISE, WE all RISE!!

Dear Hoover Family,

I hope this message finds you ready and refreshed for the 2024-2025 school year. I am thrilled to share that I am the new Assistant Principal of Hoover Middle School. It is an honor to take on this new role and join the incredible administrative team as we continue to foster an exciting school community.

I am fortunate to start my administrative career at Hoover. I will begin my twelfth year in Education and my sixth year at Hoover this year. Before becoming an administrator, I was a classroom teacher, Activities Director, English Language Arts department lead, and the Positive Behavior Intervention and Supports (PBIS) Coordinator. I have the privilege of working as an Administrator in a community I know so well and care so deeply about. My decision to transition to an administrative role stems from my passion for empowering teachers, supporting students, and cultivating positive relationships within our school community.

As a parent, I understand the importance and significance of open communication among educators, students, and guardians. Together, we can create a nurturing and positive learning environment, ensuring students reach their full potential. Throughout the year, I look forward to collaborating with you all to provide the best opportunities for our students' success.

Once again, welcome back, and I am excited about the accomplishments we will achieve together this year.

Go Hawks!

FOOTNOTE: These are SJUSD board policies. Please refer to Board Policy 5132 - Dress and Grooming.

Uniforms are required on all school days, with the exception of Spirit Days. Students who have earned a free-dress pass may use it on specific days. Students who are not in uniform will be lent clothing items.

Hoover's uniform closet has been established for families that need assistance. Hoover families are encouraged to donate/exchange uniforms that are in good condition to our uniform closet.

Hoover Electronic Device Policy

Cell phones and other personal electronic devices may be used by students outside during brunch and lunch in accordance with district technology guidelines. Phones should be **put away upon entering any school building**. Phones may only be out during class time when being used for school-related tasks or as determined by the teacher or other district employee.

When using ANY device, students must ALWAYS follow all district technology guidelines, including:

- ★ **respect and practice the principles of community** by communicating only in ways that are kind and respectful
- ★ **respect and protect the privacy of others** by NOT photographing or video recording others

**students should report any threatening or inappropriate material encountered online*

Hawks RISE	Respect Self and Others	Impact Community	Strive for Excellence	Embrace Diversity
	Prioritize learning	Respect the learning environment	Give your best effort and always follow directions	Be kind to everyone

- **First Time Violation:** Warning and reminder of policy and expectations
- **Second Time Violation:** Student gives device to staff member and the student may retrieve the device after the school day
- **Subsequent Violation:** Student gives device to staff member and staff turns in device to the office where pick-up/consequence is handled by administration

Other disciplinary actions may be taken in accordance with California Education Code (EC) and San José Unified policy.

**By SJUSD policy, Hoover is not responsible for lost or stolen devices*

When I RISE, We ALL RISE

TECHNOLOGY USE

San José Unified technology resources are provided to our students and employees for educational purposes only. These resources include district-provided devices, email, district-provided Google Workspace for Education accounts, internet access, and district-supported applications. The Technology Use policy applies to district-provided devices and personal devices, including phones, tablets, and laptops, that connect to our wireless networks. Students who violate this policy may lose access to their district-provided device and the school network and may be fined for repair/replacement costs.

Students who bring personal devices to school assume all liability and risk for damage to the device. Personal devices may connect to the wireless guest network available at all schools and offices. Only district-provided devices may connect to San José Unified's main wireless network. District-provided devices receive bandwidth priority over personal devices.

District-Provided Devices

All San José Unified students in grades K – 12 are eligible to receive an iPad or a Chromebook for school use. Students are responsible for the proper care of their device and its accessories (charger, keyboard/case), including transporting the device between home and school. In the event a device requires repair or replacement, the parent/guardian or student should contact the school and provide details about how the damage to the device happened. Students may be fined to cover the repair/replacement costs of the device or its accessories.

Device and Network Filtering

All San José Unified student devices are restricted from accessing inappropriate content or online pages that do not have an educational purpose. As the internet continually evolves, our Technology Services team continues to update the categories of content that are on the restricted list. The following types of content are examples of restricted content on student devices when connected to the San José Unified network: adult content, gaming-only sites with no educational purpose, alcohol and drugs, making or buying weapons, hate speech, and social media (excluding YouTube).

Regardless of the device used to access San José Unified resources, students must:

Respect and protect the privacy of others.

- Use only assigned accounts
- Not view, use, or copy passwords, data, or networks for which they are not authorized
- Not distribute private information about others or themselves

Respect and protect the integrity, availability, and security of all electronic resources.

- Observe all network security practices, as posted
- Report security risks or violations to a teacher or network administrator
- Not destroy or damage data, networks, or other resources that do not belong to them, without clear permission of the owner
- Not modify settings on district-issued devices such as using proxy servers or VPNs
- Conserve, protect, and share these resources with other students and Internet users

Respect and protect the intellectual property of others.

- Not infringe upon copyright laws (no illegal copies of music, games, or movies)
- Not plagiarize

Respect and practice the principles of community.

- Communicate only in ways that are kind and respectful
- Report threatening materials directed at staff, students, or community members to a teacher or administrator
- Not intentionally access, transmit, copy, or create material that violates the school's code of conduct (such as messages that are pornographic, threatening, rude, discriminatory, or meant to harass)
- Not intentionally access, transmit, copy, or create material that is illegal (such as obscenity, stolen materials, or illegal copies of copyrighted works)
- Not use the resources to further other acts that are criminal or violate the school's code of conduct
- Not send spam, chain letters, or other mass unsolicited mailings
- Not buy, sell, advertise, or otherwise conduct business, unless approved as a school project

TECHNOLOGY USE

Consequences for Violation

Upon discovery through monitoring software or other methods, violations of these rules will be reported to the site administrator and may result in disciplinary action, including the loss of a student's privileges to use the district's IT resources (i.e. disabling of accounts, elimination of access to technology and technology platforms). Other disciplinary actions may be taken in accordance with California Education Code (EC) and San José Unified policy.

Supervision and Monitoring

School and network administrators and their authorized employees monitor the use of IT resources to ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks to further the health, safety, discipline, or security of any student or other person, or to protect property. They may also use this information in disciplinary actions and will furnish evidence of crime to law enforcement.

Social Media Use

The United States Surgeon General issued an advisory in May of 2023 on the Effects Social Media Use Has on Youth Mental Health. The advisory stated, "... there is growing evidence that social media use is associated with harm to young people's mental health." San José Unified restricts all social media sites and applications on district-provided student devices. Students who bring personal devices, such as phones or tablets, will not be restricted from accessing social media sites on those devices while at school.

2024-2025 Volunteer Policies

San José Unified appreciates the valuable contributions of our volunteers. Following is our policies and legal requirements for volunteering at our site.

Who needs to be registered as a volunteer? Any adult over the age of 18, if driving students, who voluntarily offers a service to the school district without compensation on a regular basis (whether short- or long-term) must complete the volunteer form(s), be fingerprinted, submit a completed tuberculosis (TB) clearance, and any additional documents required as a volunteer driver to the Human Resources Department.

How do I become a volunteer?

If you have not been a registered volunteer with San José Unified in the prior two years, please follow the steps below:

1. Complete this online application.
2. Complete a tuberculosis (TB) test no more than 60 days prior to the submission of your volunteer application. The TB clearance must be valid for the entire school year in which you are volunteering.
3. Email your TB clearance to volunteer@sjusd.org.
4. Once Human Resources verifies your TB clearance, you will be invited for a fingerprint appointment at the District Office. These appointments are by invitation only.
5. Once your fingerprints have cleared through the Department of Justice and FBI, you will receive an auto-confirmation email that you are cleared to volunteer.
6. After being cleared by the District, all volunteers need to be approved by the site Principal.

If you also plan to drive students in your volunteer role, please follow the steps below annually:

1. Maintain your California Driver's License submit a new copy upon renewal.
2. Request the Volunteer Driver Packet by emailing volunteer@sjusd.org.
3. Email the following to volunteer@sjusd.org
 - a. The completed Volunteer Driver Form
 - b. Proof of automobile insurance coverage with a limit of not less than \$100,000 injury/death to one person and \$300,000 injury/death to more than one person. This can be found on the declaration page of your policy. Validity must be maintained, and a new declaration page of your policy must be submitted upon renewal.
 - c. A copy of the vehicle's insurance card including expiration date, validity must be maintained. A new card must be submitted upon insurance renewal.
 - d. A copy of the vehicle's registration, validity must be maintained. A new registration must be submitted upon renewal.
 - e. Provide an official DMV Driver's Record (K4) for at least the past 3 years. This report will be good for 1 year from the date you receive it.
 - f. Submit the DMV Pull Notice Program - Authorization for Release of Driver Record Information form as a volunteer driver with San José Unified School District.
4. Once your fingerprints have cleared through the Department of Justice and FBI, and Human Resources receives your TB Clearance and all items listed in 3a-3e you will receive an email confirmation that you are cleared to be a volunteer driver.

What do I need to do if I am a returning volunteer?

Our volunteers must register with the Human Resources department each year. To do so please complete this online application. Volunteer Drivers must complete the Volunteer Driver Packet including resubmit items in 3a-3e above each year. This ensures we know who is actively working with our students and staff, and at which sites. It also ensures we have your up-to-date contact information. Returning volunteers do not need to complete fingerprinting but may need to submit an updated TB clearance. This packet includes the district's policies on sexual harassment and child abuse reporting for your review.

Dear Hoover Community,

Hello and welcome to an exciting new chapter in our student's lives; the 2024-25 school year! We, the Hoover PTSA (Parent, Teacher, Student Association), are thrilled to turn this page with you.

Why Get Involved? Because we are all helping to author the story of this new year at Hoover! Your participation, ideas, and energy directly influence the atmosphere, activities, and academic experiences we can provide for our students.

Join the PTSA – Together, we shape Hoover into a strong and thriving community. This year we have an incentive for you to join! The first 150 members can join for **FREE**. Fill out this [form](#) and we will add you as a member.

Donate – Amplify your impact with a donation! Your contributions fund transformative projects, programs and unforgettable events, all while being tax-deductible! Visit www.hooverptsa.org/how-you-can-help to find out more.

Stay Connected – What's happening at Hoover? Learn more at www.hooverptsa.org, or follow us:
