

Little Medical School STEM Class Babysitting 101!

LMS offers STEM activity-based classes where we strive to inspire the next generation of Healthcare Heroes!
We are offering a new 3-week class beginning in November.

Babysitting 101 is a 3 hour course for students aged 11+ interested in babysitting. It covers basic childcare, safety, first aid, understanding of developmental stages and relevant activities, health, nutrition, sleep information, Heimlich maneuver, and EpiPen usage. Students also create a babysitting ad and earn a certificate.
