Expect great things.

# Out of School Suspensions

As of Mar 29, 2019

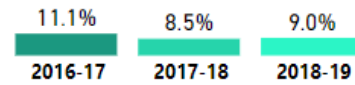

# Definitions

- **Unique Incidents** - The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.
- **Total Days Suspended** The sum of all suspension days given.
- **Unique Students Suspended** The count of distinct students suspended. Students with multiple suspensions are only counted once.
- **Students with Multiple Suspensions** The count of students who were suspended more than once throughout the school year.

# Out of School Suspensions, Year to Date Summary All Students (through 3/29/2019)

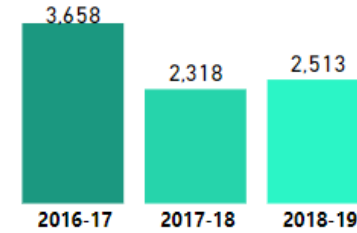

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

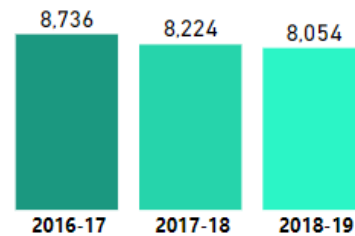

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

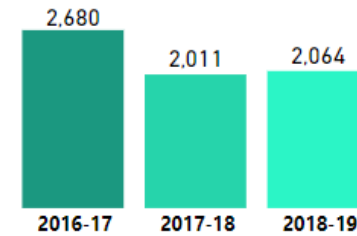

## Total Days Suspended

The sum of all suspension days given.

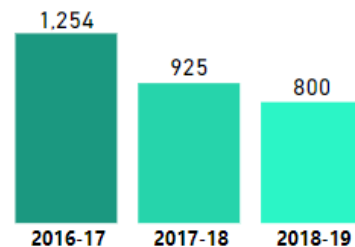

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

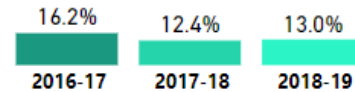

The count of students who were suspended more than once throughout the school year.

# Out of School Suspensions, Year to Date African American Students (through 3/29/2019)

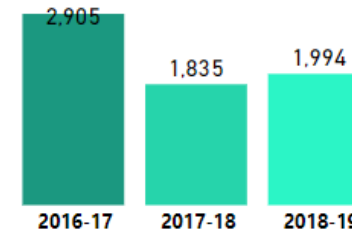

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

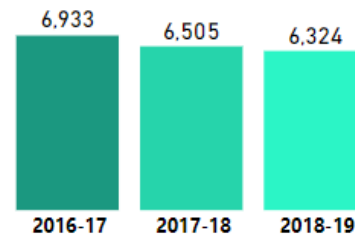

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

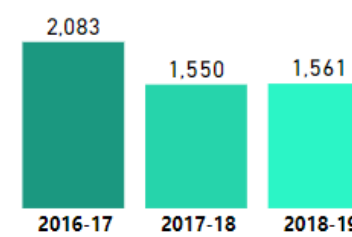

## Total Days Suspended

The sum of all suspension days given.

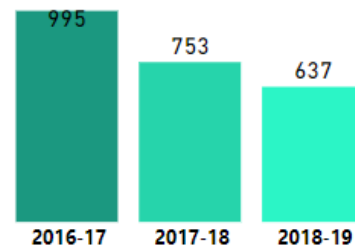

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

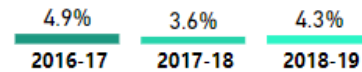

The count of students who were suspended more than once throughout the school year.

# Out of School Suspensions, Year to Date White Students (through 3/29/2019)

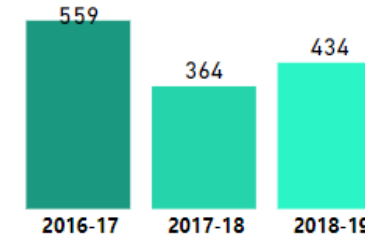

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

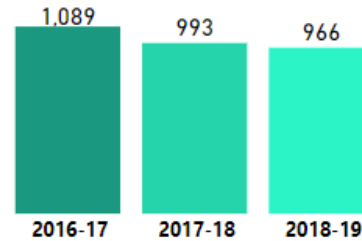

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

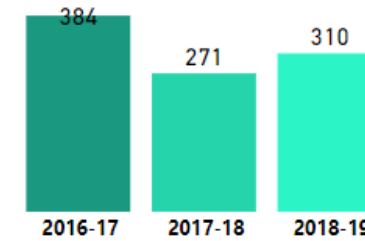

## Total Days Suspended

The sum of all suspension days given.

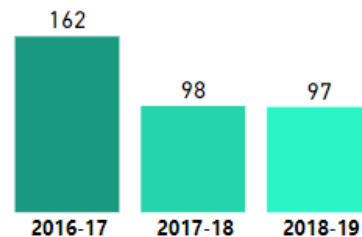

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

The count of students who were suspended more than once throughout the school year.

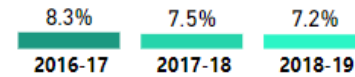

Expect great things.

# Out of School Suspensions, Year to Date Multi-Racial Students (through 3/29/2019)

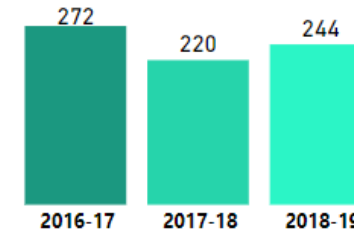

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

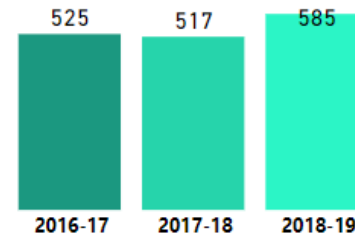

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

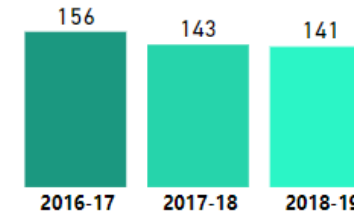

## Total Days Suspended

The sum of all suspension days given.

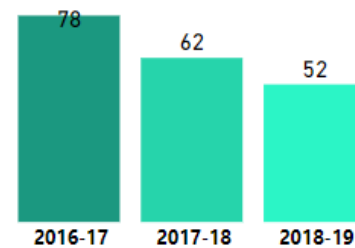

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

The count of students who were suspended more than once throughout the school year.

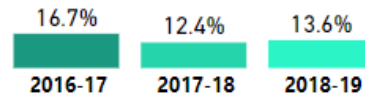

Expect great things.

# Out of School Suspensions, Year to Date IEP Students (through 3/29/2019)

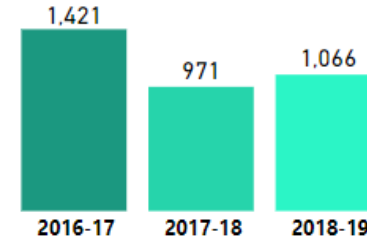

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

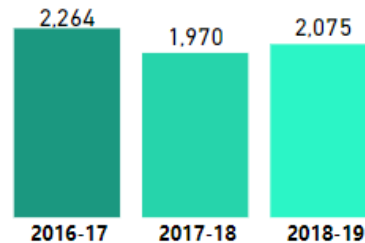

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

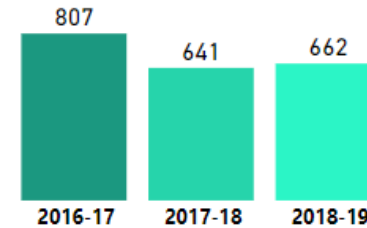

## Total Days Suspended

The sum of all suspension days given.

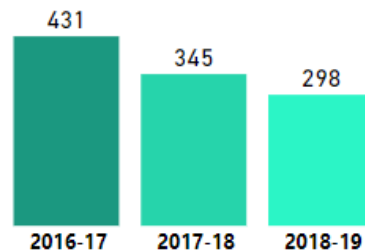

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

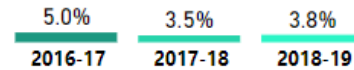

The count of students who were suspended more than once throughout the school year.

# Out of School Suspensions, Year to Date ELL Students (through 3/29/2019)

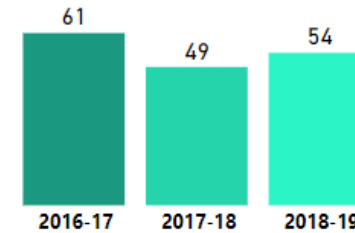

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

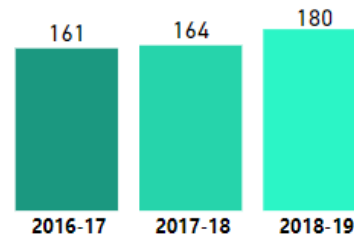

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

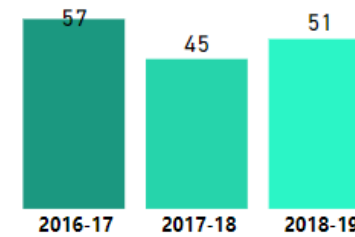

## Total Days Suspended

The sum of all suspension days given.

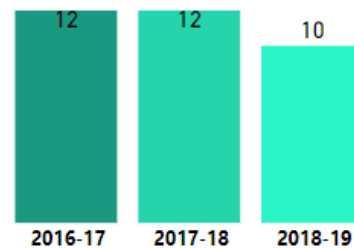

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

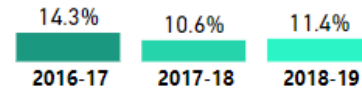

The count of students who were suspended more than once throughout the school year.

# Out of School Suspensions, Year to Date Econ. Disadv. Students (through 3/29/2019)

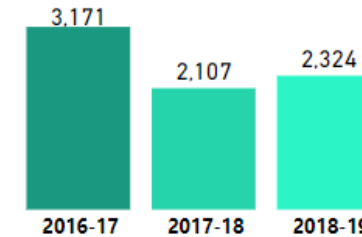

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

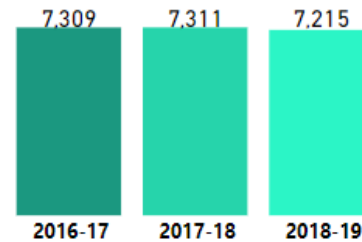

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

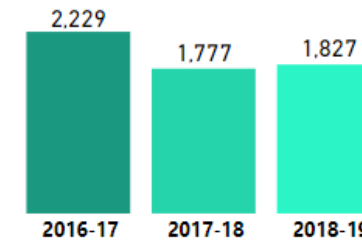

## Total Days Suspended

The sum of all suspension days given.

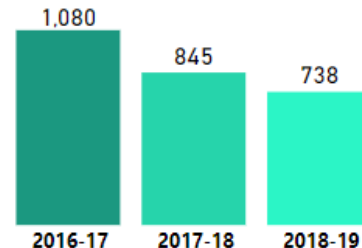

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

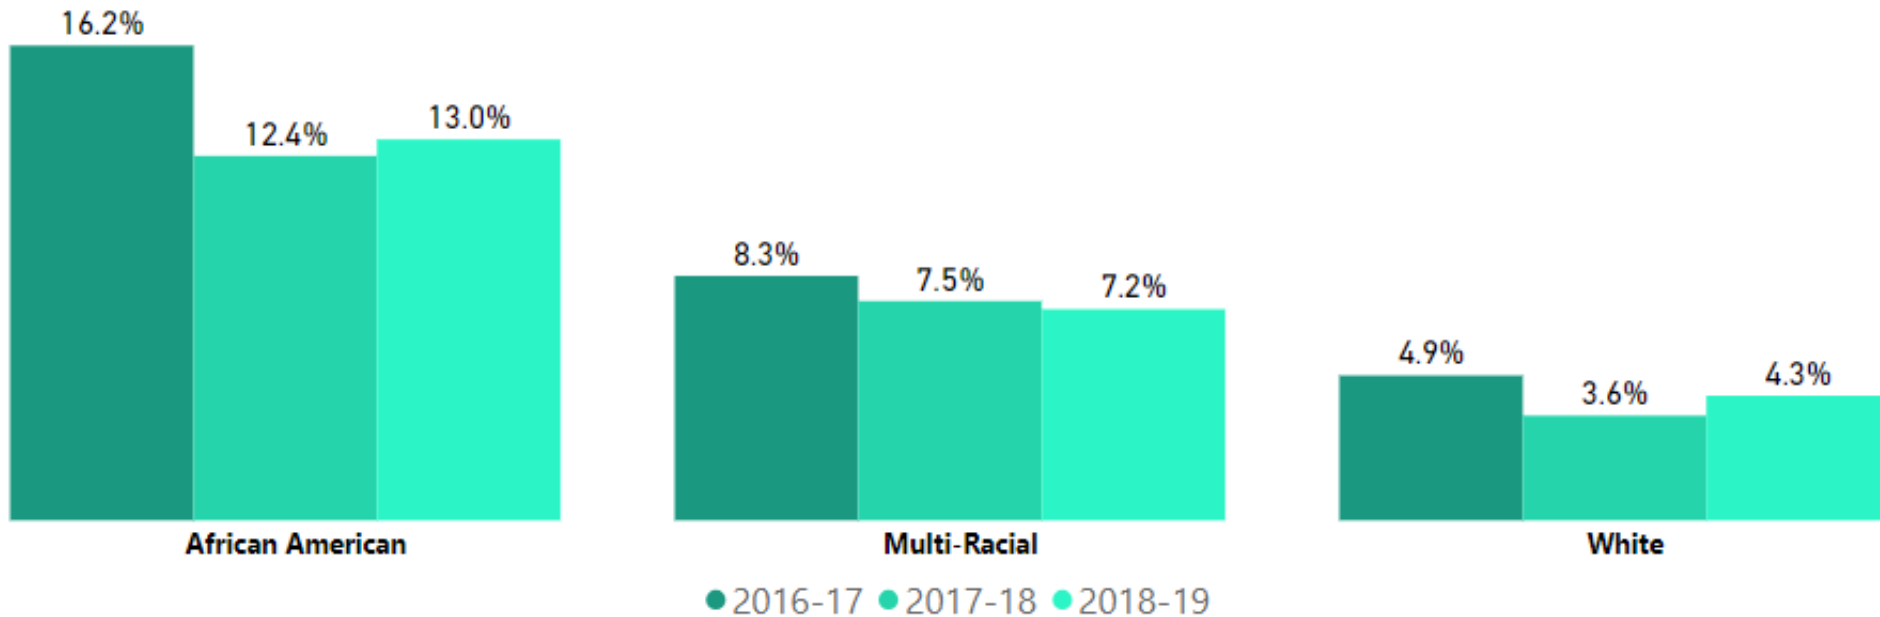

## Students with Multiple Suspensions

The count of students who were suspended more than once throughout the school year.

Expect great things.

## Suspension Rate Three largest race categories (through 3/29/2019)

# Definitions

- **Suspension Rate** - The number of unique students suspended divided by the total number of unique students who were enrolled at any point in the school year.
- **Suspension Ratio** - The relationship between the suspension rate for a subgroup compared to a comparator group. (used by OCR to examine inequities in suspensions)

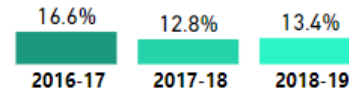

# Out of School Suspensions Middle Grades (6-8)

As of Mar 29 2019

# Middle Grades (6-8) Suspensions (through 3/29/2019)

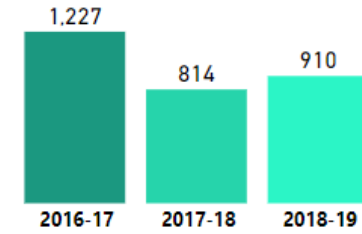

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

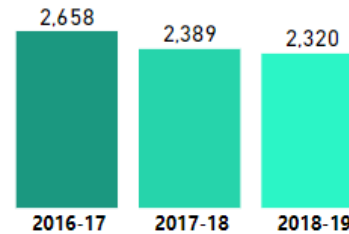

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

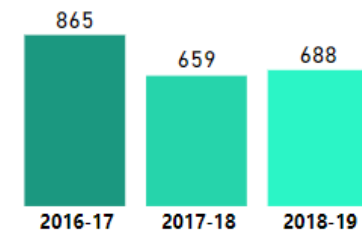

## Total Days Suspended

The sum of all suspension days given.

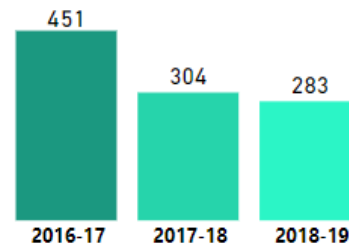

## Unique Students Suspended

The count of distinct students suspended. Students with multiple suspensions are only counted once.

## Students with Multiple Suspensions

The count of students who were suspended more than once throughout the school year.

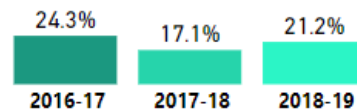

Expect great things.

# Middle Grades (6-8) Suspensions IEP students (through 3/29/2019)

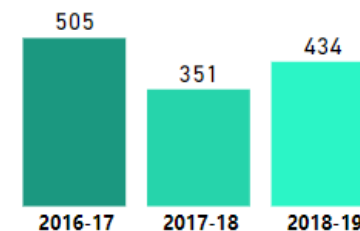

## Suspension Rate

The number of unique student suspended divided by the total number of unique students enrolled at any point in the school year

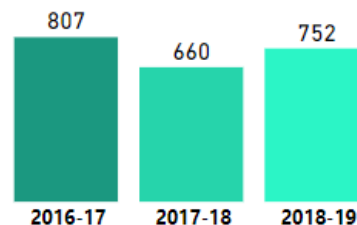

## Unique Incidents

The number of incidents that result in student suspension(s). One incident may result in multiple student suspensions but will only count once.

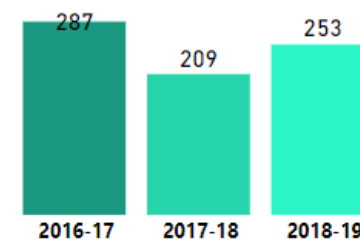

## Total Days Suspended

The sum of all suspension days given.
