

ELA Text Book Adoption Feedback

6-8 ELA Committee Feedback				
Study Sync McGraw Hill Education	High level of engagement	Differentiation	Ease of use	Continuous Improvement lesson design
	Excellent student consumables	Leveled texts	Assessments	Data collection
	Standards aligned to TDQ's	Delivery model	Engaging videos	Engaging Text Resources
	Application possibilities	Rigor	Common core alignment	Use of technology
	Culturally relevant materials	High quality	Text collection	Technology may be a challenge
My Perspectives Pearson	Aligned to K-5 & standards	Drawback: GRR is spread out over an entire unit	Consumables with Common Core Pedagogy	Grades 3-5 concerns similar to iLit
	Language embedded lessons	Technology	Analytical level questions	Clear lesson framework
6-8 ELA Public / Teacher Feedback				
Study Sync McGraw Hill Education	Ell and Leveling ability of text	Rigorous	Matches standards	Variety of texts
	Test reports by eligible content	Online components	Multimedia platform	Wealth of materials
	Solid framework	DI and scaffolding options	Variety of materials	Large digital library
My Perspectives Pearson	Nice, clean resource	Variety of opportunities	Both digitally and print	Nice transition from the K-5 ReadyGen
	Best combination of text selections and lesson plans	Novel selections	Supported text questions	Consumables
	Extra resources	Essay Grader	Fits middle school framework	Good theme

9-12 Committee Feedback

Springboard College Board	Cultural relevance of texts	AP level and college preparation	most diverse of all the vendors	LGBT content through race, ethnicity, etc
	Engaging for students	Aligned to standards	Rigorous and relevant.	Aligned to the Common Core and standards
My Perspectives Pearson	Standards aligned	Clear lesson framework & analytical level questions	Great resources for ELLs	Drawback: GRR is spread out over an entire unit.
	Equity as a core belief	Rigor and provided a lot of quality resources.	Teacher manual well written	Combination of digital and text platforms

9-12 Public / Teacher Feedback

Springboard College Board	Direct push towards college readiness	Prepares for AP coursework	Prepares for college coursework.	Accessibility to all students
	Variety in the texts	Extensive graphic organizers	Embedded grammar lessons	Plethora of standards-based learning activities
	Use of UbD	Backwards planning models in each unit	Supports for seamless, effective differentiation	Opportunity for immediate writing feedback for students
My Perspectives Pearson	Students need to read daily	Accommodations for instruction	Novels provided	Progression of the lessons
	Scope and sequence	Variety of texts in each unit	More options geared toward PSE students	Interesting thematic arcs of the units
