

Code of Student Conduct Update

Education Committee, February 9, 2017

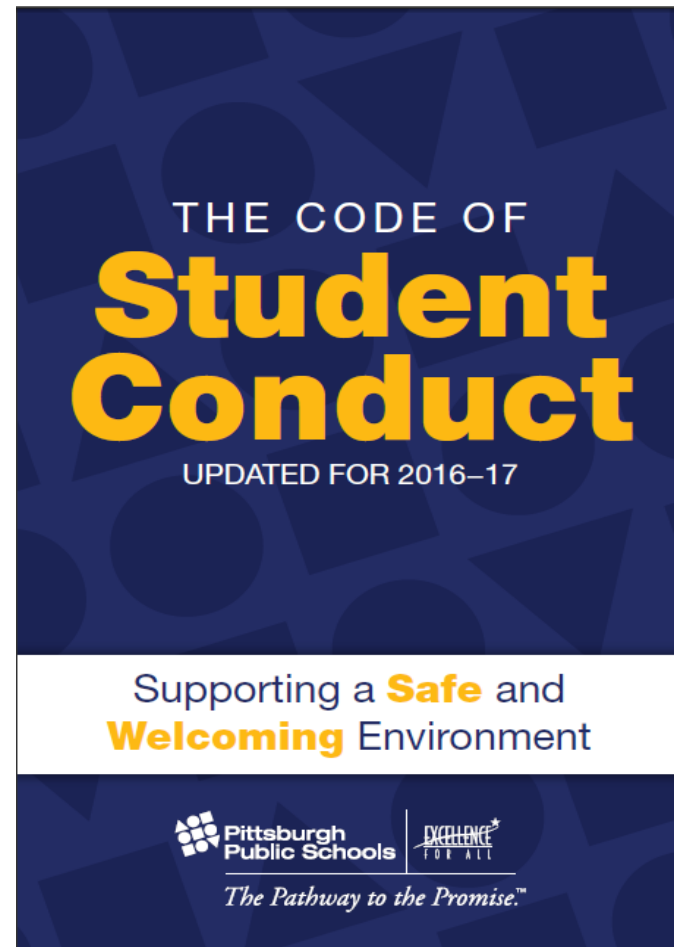

The Pathway to the Promise.™

Agenda

Provide an update regarding our process for recommending revisions to the district's 17-18 Code of Student Conduct

- Benchmarking
- Stakeholder Engagement Process
- Timeline

Benchmarking

- We are reviewing Code of Conduct documents as well as disciplinary policies and practices of other school districts.
- We are exploring promising internal progressive disciplinary practices that can be replicated district-wide.

Stakeholder Engagement

- Our goal is to cultivate voices among students, families, administrators, teachers and school-based staff, and the broader community of advocacy organizations and concerned citizens.
