

Accessing Seesaw at Home

Students can access their Seesaw classroom(s) at home using ClassLink. To learn how to sign into ClassLink, please see the ClassLink tab under Technology Resources for Parents and Students on the Pittsford School District Technology and Data Services website.

The image shows a 'Sign in to ClassLink' form. It has a dark blue background with white text. At the top, it says 'Sign in to ClassLink'. Below that are two input fields: 'Username' and 'Password'. A blue 'Sign In' button is centered below the fields. At the bottom, it says 'Or sign in using:' followed by a circular icon containing a hand holding a pencil.

Students can log in using their Quick Cards or their PSCD username and password.

Once on their ClassLink dashboard, students can find and launch the Seesaw app. This is an automatic sign in app, so no username and password should be required.

NOTE: The Seesaw app in ClassLink cannot be used to access the Seesaw Family app.
