

Pine Hollow Middle School

2024-2025 School Supplies

Grades 6-8

The following list of school supplies is recommended for all students attending Pine Hollow. It covers all three grade levels.

Students will be allowed to participate in any classroom activity if they choose not to purchase, donate, or contribute any of the requested item(s). All donated classroom supplies will be shared equally among all students so that each student can participate in the planned academic activities. We have included some brand names based on the quality and durability of the product (optional).
