

**OGEP**

OAK GROVE  
EDUCATION  
PARTNERS

The parents/caregivers who volunteer on the board of OGEP want to welcome back our amazing students and their families. We want to take this chance to introduce OGEP and our purpose.

## Our mission:

*OGEP is a non-profit, volunteer-led organization focused on fundraising to support equitable enrichment programs on and off campus in Arts, Music, and Outdoor Learning for the students of Oak Grove Elementary and Willowside Middle Schools.*

## TOGETHER WE CAN DO GREAT THINGS!

OGEP plans to pledge \$70,000 to be split between Oak Grove and Willowside for field trips and other school activities. To achieve this goal, we need volunteers and support. Please consider volunteering and attending some of the OGEP meetings. We want to hear your voices and ideas! Can't attend a meeting? Please consider contributing to the Giving Campaign or participating in any of our OGEP fundraising or community events that will be offered throughout the year. No matter what format suits you, we need your help and support. Please fill out your information below or scan the QR code for our online form and our volunteer coordinator will be in touch.

- I would be interested in volunteering at OGEP community events and fundraisers
- I would be interested in leading OGEP as a board member or a committee member
- I would be interested in donating to OGEP campaigns and attending fundraising events
- Keep me in the loop, I want to help but not sure what option I can do right now
