

ACKNOWLEDGMENT OF RISK AND INFORMED CONSENT

I realize that participation in any sport can be a dangerous activity involving MANY RISKS OF INJURY. I understand there are risks including and not limited to death or paralysis, brain damage, cardiac arrest, serious injury to internal organs and to bones, joints, ligaments, muscles, tendons, and other serious injury or impairment to other aspects of the athlete's general health and well-being. I understand that the dangers and risks of participating in sports also include the potentially high cost of medical care and impairment of the athlete's future ability to earn a living, to engage in other business, social and recreational activities, and generally to enjoy life. Recognizing these risks, we consent to the participation of

_____ in the sport of _____ at
(Student Name) (Name of Sport)
