

Freeburg Community Consolidated School District #70

Field Trip Chaperone Agreement

CHAPERONES: If agreement has been reached with administration and the supervising teacher, volunteers may chaperone students on this trip. Chaperones must comply with all district requirements pertaining to the chaperoning of students.

a. Chaperones must be responsible adults, twenty-one years of age or older, with no record of criminal conduct.

b. There will be NO smoking or use of alcohol or any other illegal substances on the part of chaperones. This rule will be enforced at all times. While some participants may be twenty-one years of age or over, the fact that they are participating in a school event overrides their age status.

c. Chaperones understand that they are not covered by any district liability insurance policy during this activity nor are the chaperones employees, agents, or representatives of the district.

d. Field trips are to begin and end at the school unless other arrangements are made *in advance* with administration.

e. Chaperones will **NOT** bring friends or other family members on the field trip.

f. Chaperones **agree** to be in charge of the group that the teacher or administration assigns.

g. Chaperones are in charge of their assigned group. They are responsible for student counts, especially before entering or leaving a location.

h. Chaperones must be willing to perform any other duties assigned by the teacher or administration.

I agree to the above-stated chaperone provisions:
