

PROCEDURE FOR RIDING HOME AFTER GAMES:

The procedure for riding home with a parent/guardian after an away game.

I would like our players to all ride the bus home after their games, but I do understand it can be an inconvenience and other things are going on. If your son is not going to ride the bus home after their game they must sign out with the coach and parent/guardian. The player can only ride home with their parent/guardian. If your son needs to ride home with another parent/guardian, an email must be sent to Mr. Schwartz and DeCorsey no later than one day before that game. Thank you.
