

GSL Community Education Coach Cancellation Procedures

Community Ed Activity Line – This number is exclusively for Community Education. If an activity is cancelled, it will be recorded on this activity line. Phone number is: **320-864-2487**

Inclement Weather –

- School is closed due to weather – all Community Education practices, games, etc. are cancelled for the evening.
- School is closes early due to weather – all Community Education practices, games, etc. automatically cancel for the evening.
- Saturday morning games, practices, etc. All teams are asked to make a decision 2 hours prior to the game/practices, but this does not always happen. Once GSL is notified we will immediately update the activity line.
- For outdoor activities, please do not assume indoor space is available unless prior arrangements have already been made.
- Cancellations & Make-ups:
 - ❖ League games and practices will not be made up.

Cancellation for Other Reason – Typically we do not cancel practices or games for any reason other than weather. If you would need to, please contact your players directly using the contact information on the roster. Also please inform Community Education about the cancellation, so we can assist parents who may have questions.
