

## **GSL Fall Musical & Spring Play Expectations**

1. Make good use of your time while at rehearsals.
2. Practice.
3. NO ONE likes "Drama" at drama. **Don't** create it. Be positive.
4. Be punctual.
5. Always have: A) Your **folder** B) **Water** bottle C) **Pencil**
6. Practice.
7. Students who need help with solos or chorus parts should see Mr. Iverson for lesson times. **Don't procrastinate!** Don't be afraid to ask (it is his job to help you)!
8. Profanity isn't allowed at school - in the hallway, in the choir room - anywhere. Don't do it.
9. **Respect school property:** sets, costumes, tech equipment, etc.
10. EVERYONE is important in order to make a production successful. **This is a team.**
11. For major issues, "chain of command" should be followed (Captain, then Mr. Iverson, then Mr. Schwartz, etc. etc.).
12. Keep your **grades** up! Please be sure you don't have any F's at Mid-Tri!!
13. Get sleep. Drink water. De-stress.
14. Practice.
15. Return your **binders/scripts** at the end of the production to avoid a \$4.55 fee.
16. Remember there are certain restrictions when producing a musical/play regarding posting videos and photos of the production. **DON'T** get yourself in trouble with the licensing company. When in doubt - ask.
- 17a. If a specific move in **blocking or choreography** makes you feel uncomfortable, please tell a director or captain, and we will modify. It won't be problem. Just ask.
- 17b. If a specific word in the **script** makes you feel uncomfortable, tell us. In most cases, we can make changes. Just ask.
18. NO photos or videos in the dressing rooms AT ALL! NO exceptions! Think of this rule equal to the MSHSL locker room rule.
19. Don't use your **phones** during rehearsals or at performances. It's tacky.
20. Be mindful of sets - they're not real. They're temporary settings for a show.
21. Practice.
22. **Captains** are putting in extra work for the production. Respect them. They will often be leading warm-ups and other activities.
23. You represent GSL. Don't wear a theater shirt, go out in public and use foul language (for example). Keep in mind who you represent at all times. DO wear your fall musical/spring play shirt, go out in public, and invite someone to the show or do a random act of kindness.
24. Some **volunteers** will be working on your production with sets, costumes, props, etc. We appreciate them and thank them for donating HOURS of time!
25. Don't forget to **HAVE FUN**, and use this as an opportunity to expand your acting and singing skills. Let's **KNOCK THEIR SOCKS OFF!**

### **Lettering:**

*Students who maintain good attendance throughout the production and contribute to a productive environment will letter. This is for grades 9-12. Middle school students receive certificates.*

### **Attendance:**

*Students who skip a rehearsal will be reprimanded with possible removal from the show. We know emergencies sometimes happen, so this will only happen for unexcused absences.*
