

## Annual Written Notification

### **Accessing Public Benefits & Releasing Personally Identifiable Information to the Medicaid Program**

The federal special education law, the Individuals with Disabilities Education Improvement Act 2004 (IDEA), specifies each State's obligation to develop agreements with non-educational public agencies to ensure that all services necessary to provide a free appropriate public education (FAPE) are provided to children with disabilities at no cost to the parent. This includes the State Medicaid agency. School districts are permitted to seek payment from public insurance programs (Medicaid) for some services provided at school.

Under the Family Education Rights and Privacy Act (FERPA), your consent is required for the school system to release information about your child to the Indiana Medicaid program in order to access your or your child's public benefits. You are entitled to have a copy of any information the school system releases to the state Medicaid program.

If you have previously given consent for Northeast Dubois County School Corporation to access your or your child's public benefits and to release information needed to access Medicaid funding for services provided through your child's individualized education program (IEP), the school district may release:

- Your child's name and Social Security Number;
- Your child's date of birth;
- Your child's IEP documentation including evaluations;
- The dates and times services are provided to your child at school;
- Reports of your child's progress, including therapist notes, progress notes and report cards.

Your child will continue to receive all required IEP services at no cost to you. Reimbursed services provided by the Northeast Dubois County School Corporation or Exceptional Children's Co-op does not limit coverage, change eligibility, affect benefits, or count against visit or funding limits in Medicaid programs in which your child is enrolled.

You may revoke your consent at any time. Revoking your parental consent does not change the school district's responsibility to provide all required IEP services at no cost.

You may ask questions about this program or revoke your consent at any time by contacting the Director of Special Education at Exceptional Children's Co-op.

Date Notification Provided to Parent and Method of Delivery: This information will be located in the Student Handbook and in the Online Registration Packet.
