Bulldog Pride

Dear Tracy High School Families,

Welcome to the 2024-25 school year. We are eagerly looking forward to an exciting year. The Tracy High School administration, faculty, and staff are working hard to prepare for the start of school. Please read this letter carefully as it contains important information for your student.

Please see the scheduled time(s) below for your student to complete the registration process for the 2024-25 school year. Attending the scheduled session is required for **all** students before attending school. The process begins in the Main Office (A building) on the date and time indicated below. Students will be asked to verify completion of Data Confirmation, take yearbook/ID photos (ID cards passed out the first week of school), purchase school merchandise or yearbook, check out a laptop (new students and freshmen only), and pick-up their class schedule. This process takes approximately 30 minutes to complete so getting in line before 8:30 is not required.

I will be sending out additional information through our School Messenger system (email, phone, and/or text) in the coming days and weeks. Current email, home address, and telephone information are necessary and critical for you to receive these updates. Feel free to update your contact info through your Aeries Parent Portal account or you can come to the school starting on Monday July 29 from 8:30 to 4:00 pm.
