Bret Harte Booster Club

Bret Harte is proud to have the greatest number of athletic sports teams, lunch and after school clubs available at any middle school in the area because of the BH Booster Club. In addition to funding an impressive 23 athletic teams and 10-20 plus extra-curricular clubs/activities, the Booster Club directly supports the Bret Harte Physical Education Department by providing equipment for all students to use. BH Booster Club programs provide academic, social and athletic benefits to all Bret Harte students. More than 600 students directly participate in a Bret Harte Booster Club sport or extra-curricular club/activity. The Booster Club has also combined support with ASB and the Community Club to pay for campus improvements, like school sound systems, the marquee sign, band instruments and more.

The BH Booster Club usually meets the second Wednesday of every month during the school year at 7p.m. in the Staff Dining Room. Our first meeting will be held August 14, 2024. **Everyone is welcome and encouraged to attend any and all of the meetings.** For more information about the BH Booster Club, please contact bhboosterpres@gmail.com
