

Bullard High School

Home of the Knights

July 1, 2024

Dear Parent/Guardian,

Welcome to Bullard High School for the 2024-2025 school year! We are excited to have you and your student(s) join our vibrant school community. Our dedicated team is committed to providing a supportive and enriching environment that will help your student thrive in high school and beyond.

As we prepare for the new school year, our school has been going through some major improvements over the summer months. I am proud to announce that air conditioning is being installed in both our North and South gyms, the exterior of our school is getting a new look with some new colors, and our long-awaited fence was board approved back in June and construction has already started.

Knowing that the high school years are pivotal in shaping a young person's life, we are here to support your student every step of the way. Our mission is to foster a culture of hard work, continuous learning, and personal responsibility. At Bullard, we champion the values of Grit, Grind, and Greatness. We aim to instill these principles in our students, both in their academic pursuits and in their daily lives.

Our objective is to mentor, train, and equip our students with the tools they need to succeed. We strive to cultivate champions by promoting qualities such as courage, honor, a positive attitude, motivation, perseverance, integrity, optimism, and a relentless drive to never give up. We set high standards and encourage our students to strive for excellence in all they do.

Maintaining open lines of communication with our students and families is crucial. Ensure your contact information is up to date in ATLAS to receive our weekly updates via Parent Square and to access information from our Bullard website (which is under construction due to a new district platform) at <http://www.bullard.fresnounified.org>. If you have any questions, please contact our main office at 451-4320, and one of our office staff will be more than happy to assist you!

We recognize that high school can be challenging and want you to know that our Bullard family is here to support you. We are committed to providing an excellent year of learning and growth for your student. Together, we can overcome any obstacles and achieve greatness. Go Knights!

Sincerely,

Armen Torigian
Principal
Bullard High School
