Billings School District 2

STUDENTS

Student Health

The Board may arrange each year for health services to be provided to all students. Such services may include, but not be limited to:

development of procedures at each building for isolation and temporary care of students who become ill during the school day;

consulting services of a qualified specialist for staff, students, and parents;

vision and hearing screening;

scoliosis screening; and

referral for immunization as provided by the Department of Health and Human Services.
