Local Control and Accountability Plan and Annual Update Template

Our vision is to prepare our students to assume responsibility to plan, design, and build the future by providing a learning environment which is 21st Century oriented and is centered on students which incorporates the direction of teachers, and support of family and community. Sausalito is a single K-8 school district that serves 89 students. Our school culture is positive and welcoming for students, staff, and parents. Sausalito is a safe school where learning processes are not interrupted by outside influences or discipline issues. Sausalito has a fair discipline policy, which is clearly understood and supported by staff, students, and parents; we have had no student suspensions or expulsions in the past 5 years, which is a clear indication of our school climate. Student engagement is a crucial component for student success. Sausalito's desire is to involve students as active participants in their education by providing them with project based learning opportunities, test chats with students, and cross-curricular activities. We welcome parents in classrooms as volunteers and regularly hold school activities that need parent participation. Sausalito School is dedicated to student success by providing student, staff, parent, and community involvement and collaboration

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>The consultation process began at the beginning of the school year during the school's Back To School Night. September 17, 2014. Students, parents, community members, teachers and classified staff were all notified by email and/or fliers that at the beginning of the event the principal would be presenting on the schools goals, priorities, objectives and services. The Principal presented that the District had established the "Stakeholder" group, which is comprised of teachers, school site staff, site administration, bargaining unit, volunteers, community members and community groups.</p>	<p>Through the process, we have established the following visions for our students: Our students will have stellar, appropriate and varied communication and language skills. Students will be academically and culturally literate by mastering, applying, questioning, defending core concepts, solutions and experiences Students will fearlessly preserve to strategically and resourcefully solve academic and real world problems.</p>

Everyone was encouraged to be part of the "Stakeholders" so that there could be an open line of communication between the District, school and all the "Stakeholders" and so that the funds and resources provided to the students, parents, staff, etc. be aligned with the District's and Stakeholders goals, priorities and states requirements. The Stakeholders were to be the voice in not just the school but within the development of the district LCAP.

The first official meeting of the "Stakeholder's was held on November 20, 2014. The "A Call To Action" Meeting was held for ALL. Data from the previous year and beginning of the year this year was presented. At this meeting, a list of the "Stakeholders" that included teachers, administration, parents and interested community members was established. They also presented how they would be reviewing student data like; DIBELS, Expressions (Math), SIPPS, Study Island assessments, Accelerated Reader, Accelerated Math, Aeries for Student Grades/Attendance, Student Behavior, and parent Engagement statistics in order to develop plans to improve student learning. Teachers, Staff, site administration, bargaining unit and Community Member also meet to establish three learning themes/goals/etc.

The official Stakeholders meeting were held on:

- November 20, 2014 A Call To Action Meeting of the Stakeholders
- January 22, 2015 Parent Engagement/Community Stakeholders
- January 27, 2015 Stakeholders
- February 2, 2015 Stakeholders
- February 26, 2015 Parent Chat
- March 9, 2015 Stakeholders
- March 24, 2015 Stakeholders

During the meetings there may have been guiding questions to help facilitate the meetings. For example; What suggestions do you have that will assist us in encouraging/pushing/demanding that our students rise up and take advantage of their educational opportunities? What will you as a community stakeholder do to support our efforts to transition from a school of learners to a community of scholars?

One of the biggest impacts that the "Stakeholders" had in the whole process was the establishment of the Saturday University/Parent Leadership Workshops. The Stakeholders found that providing positive resources to the parents and students on the weekends would help the school climate. The Saturday University was for the students. Staff, Community members and parents were encouraged to offer resources to the students like; art/dance/music/drama classes, tutoring, mentoring. The Parent Leadership Workshops were resources for the parents like: learning English, gardening, cooking, counseling or just a time for the parents to be able to reach out to school site administration, community members/groups.

The biggest impact that the Stakeholders had on the LCAP was reassurance that there were continued needs for certain resources/positions within the school district; a community liaison, a bilingual paraprofessional, parent involvement (volunteering/job opportunity, ex. Yard Aides) , the Stakeholders, a safe environment and additional support and resources for the school site, students and parents (like counseling, tutoring, TK program, K Summer Bridge program, student counsel, student clubs). All of the resources that are being encouraged and agreed upon are for ALL students.

Through the process we have established the "Walking Bus" to improve student attendance, implemented a K-8 math curriculum (Expressions), reviewing a reading/writing/ELL curriculum and started a one of kind Nutrition/Cafeteria program which we hope to pilot locally (students have even partnered up with Cavala Point).

<p>Starting in February thru May Saturday University/Parent Leadership Workshops</p> <ul style="list-style-type: none"> • February 7, 14, 21, 28, 2015 • March 7, 14, 21, 2015 • April 4, 11, 18, 2015 • May 2, 9, 2015 <p>"Stake Holders" meeting 2-3 times per month on Saturdays to review, assess and develop plans that strive to improve the student's learning. Meetings also introduce positive opportunities for the students/parents/community.</p>	<p>Through further process we have established Kindergarten readiness, Third grade reading proficiency and Algebra readiness as priorities.</p> <p>The Stakeholders would also like to some day see a school that has a school band, a drama group, Chef mentoring program, chorus, etc.</p>
<p>Annual Update:</p> <p>The District incorporated the "Annual Update" of the District LCAP into involvement process that was implemented during the 2014-2015 school year (the involvement process is described in the section of the LCAP titled "Involvement Process). During the same meetings feedback was provided and taken into consideration and development of the 2015-2016 LCAP.</p> <p>Everyone was encouraged to be part of the "Stakeholders" so that there could be an open line of communication between the District, school and all the "Stakeholders" and so that the funds and resources provided to the students, parents, staff, etc. be aligned with the District's and Stakeholders goals, priorities and states requirements. The Stakeholders were to be the voice in not just the school but within the development of the district LCAP.</p> <p>The official Stakeholders meeting were held on:</p> <ul style="list-style-type: none"> • November 20, 2014 A Call To Action Meeting of the Stakeholders • January 22, 2015 Parent Engagement/Community Stakeholders • January 27, 2015 Stakeholders • February 2, 2015 Stakeholders • February 26, 2015 Parent Chat 	<p>Annual Update:</p> <p>The Stakeholders found that since there were a lot of changes taking place and introductions of new personnel, curriculum, resources that the LCAP would move forward as it had been presented in the previous year. But the want to make sure that the District continue providing what had been promised.</p> <p>The biggest impact that the Stakeholders had on the LCAP was reassurance that there were continued needs for certain resources/positions within the school district; a community liaison, a bilingual paraprofessional, parent involvement (volunteering/job opportunity, ex. Yard Aides) , the Stakeholders, a safe environment, small class sizes and additional support and resources for the school site staff, students and parents (like professional development for staff, additional teacher/student resources, counseling, tutoring, TK program, K Summer Bridge program, student counsel, student clubs). All of the resources that are being encouraged and agreed upon are for ALL students.</p>

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?			

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$417,538</u>
<p>In that the school district is appropriately spending funds in excess of what our supplemental and concentrations grants would be at full implementation, by providing for additional services that typically are not seen at a school with an enrollment of 154. Our district has additional personnel for a school district our size, some examples are Counselor, School Psychologist, Student Intervention Facilitator and additional certificated staff. The school district dedicates 1.4 FTE (approximately \$161,000) in School Psychologist and Counselor personnel for the student. These individuals assist with the social, emotional, behavioral and unique issues that impact the students ability to learn. The counselor and school psychologist also train and work with the staff so that staff members know how to respond and deal with the to the students. There is also a full time Student Intervention Facilitator (SIF) (approximately \$72,000) who acts as the community liaison between the school, parents and community towards addressing and improving the parent involvement, student attendance, behavioral, academics, nutrition, etc. The district also has additional certificated staff, 1.5 FTE (approximately \$222,000), whom provide additional academic (SIPPS, reading/math intervention) and supervision to the students of Sausalito Marin City School District. All of the additional services that are part of the SMCS D program are funded above and beyond the target supplemental and concentration grant amount so that the our goals can be met.; stellar communication/language skills, proficiency in all academic subjects, improve student attendance, increase parent involvement, provide a safe school environment and encourage/provide staff professional development.</p>	

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

28.4 7	%
<p>The Sausalito Marin City School District's minimum proportionality percentage is 28.47%. The District has increased or improved services in the various areas; counseling, attendance, supervision, parent involvement, nutrition, facilities, etc.</p>	

Currently, the district employs 15.4 FTE credentialed instructional staff, 4.4 FTE are dedicated to meeting the district goals (counseling, attendance, supervision, proficiency, parent involvement, etc.). The district also employs 5.03 FTE classified instructional staff, 2 FTE is dedicated to meeting the same goals. This represents 28.1 % of the total credentialed instructional staff and 39% of the classified instructional staff providing services to the whole student population. Well in excess of proportionality goals.

2015-16 LCAP review technical questions

Date: 8-26-15
District: Sausalito-Marín City
Contact: Steve Van Zandt, Superintendent

The Marin County Office of Education (MCOE) has reviewed the Sausalito Marin City School District's Board-approved Local Control and Accountability Plan (LCAP) for 2015-16 and appreciates the amount of energy and effort the district has invested in their plan.

The MCOE LCAP team are making a recommendation to approve the District's LCAP but request some additional technical information in order to complete the LCAP review process. Please review and submit your responses and any pertinent supporting documentation via email to Terena Mares at tmares@marinschools.org as soon as feasible. We would appreciate your response by September 4, 2015 in order for us to complete our review process in time to approve your budget by September 15th.

At the conclusion of the LCAP review and approval process we will be meeting with each district individually to provide feedback on the entire review, especially as it relates to future approvals. We will be reaching out over the coming days to coordinate and schedule your meeting.

If you have questions, please feel free to contact Terena Mares at tmares@marinschools.org or 415 499-5805.

Section 2: Goals, Actions, Expenditures, and Progress Indicators: Please respond to the following question(s):

2.02	<p>Each goal should identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities.</p> <p>We found certain of the district's goals did not include expected measurable outcomes or use of the required state metrics for the related state priorities. As a result, the District's LCAP only describes expected measurable outcomes using the required metrics for 3 of the 8 state priorities.</p> <p>Please provide additional information describing how the district will measure outcomes using the required state metrics for all eight state priorities including State Priorities #2, #4, #5, #6, & #7.</p>
