### **Manville Board of Education Goals for the 2022 – 2023 School Year:**

- The Board of Education will increase communication and transparency with the community by publishing the approved district curriculum on the Manville School District website.
- The Board of Education will develop and implement a facility upgrade plan to identify and address the school district's programmatic, health, and safety needs.
- The Board of Education will develop a five-year strategic plan based on a demographic study and other pertinent information to identify the overarching needs of the district.
