Notice to Respondents – Addendum to BID: **BID# 01-2025 FUEL**

ADDENDUM ONE

Fremont School District 79 has an addendum regarding BID# 01-2025 FUEL published July 3, 2024. Below are changes and inquiries from various vendors regarding the bid and the district’s response. The addendum is posted for the benefit of all participating parties.

Questions

1. Can you share the most recent bid tabulation?
 - a. [BID #02-2020 Fuel Tabulation](#)
2. On page 5, item 6 states “Bidder will pay all transportation and handling charges” and Exhibit “B” has a line for transportation charges. Should it be zero since the bidder is responsible for shipping and handling?
 - a. Page 5, item 6 outlines the district’s general terms and conditions. Any information requested in Exhibit “B” is required. Please indicate on Exhibit any related transportation and handling costs.
3. Why are tanks needed if tanks are already existing?
 - a. The district needs new fuel tanks. The successful bidder is requested to supply new fuel tanks per the specifications outlined in the fuel document.

Please sign Addendum #1 and include it in the proposal.
