

PAIRING CODES

GENERATE PAIRING CODE* FROM YOUR STUDENTS CANVAS ACCOUNT

- Have your student open the "Canvas Student App"
- Click the Menu Icon (3 bars in the top left)
- Click Settings
- Click "Pair with Observer"
- Copy or write down the pairing code

*The pairing code will expire after seven days or its first use.

To close the window, click the OK button.

Note: Pairing codes are case sensitive.

ADD THE PAIRING CODE IN THE PARENT CANVAS APP

- In Global Navigation, click the **Account** link, then click the **Settings** link.
- In User Navigation, click the **Observing** link.
- Type the pairing code in the Student Pairing Code field and click the Add Student button
