
ANNUAL FUND IMPACT REPORT

The Annual Fund Impact:

The Annual Fund is French International's most critical fundraising effort, supporting the greatest need of the school. High community participation is a demonstration of trust and investment in the school and demonstrates to philanthropic foundations that our community is strong, united, and worthy of outside support.

Giving to the Annual Fund allows us to provide dynamic opportunities and experiences to all our students. These funds support investments in resources for the library, up-to-date technology, guest speakers and performers, professional development, and much more. The Annual Fund makes French International School of Oregon extraordinary.
