Unique Learning System (ULS) Curriculum

Unique Learning System (ULS) is a one-of-a-kind program designed specifically to give students with complex learning needs meaningful access to the general education curriculum. From one convenient, cloud-based platform, educators deliver differentiated, standards-aligned content enhanced by powerful assessments, data tools and evidence-based instructional support. Students from pre-K through transition have the advantage of consistent high-quality instruction, a motivating interactive learning environment, engaging symbol support and a path to independence.

The ULS curriculum is standards aligned and provides comprehensive lessons in ELA, math, social studies and science across six grade bands (pre-K through transition).
