*MDE Requires Charter Schools to have these policies in place.

Italics- we have added it, not mandatory

Website? Means I found it on the website and have not much documentation

TIES means this policy was created by TIES and for TIES

? 414 and 415 are confusing- Policy 208 states that these are mandatory policies that must be reviewed annually, but in MSBA handbook it says these are not mandatory and do not need to be reviewed annually? I have added them to the policy review calendar as annual updates in October and December but am not sure if this is necessary.
