In the meantime, teachers are encouraged to explore the following websites for AAPI Heritage:

[Asian Pacific Heritage](#) - with a specific section for teachers to access lesson plans and student activities

[Asia Society](#) - tells the history of variety of Asian cultures from the perspective of Asian Americans

[National Parks Service Celebrates](#) - the US covers Guam, Hawaii, and American Samoa and therefore the parks protect the history of these areas

[The History Channel](#) - readings and compelling videos
