What Makes a Lunch?

Select 3—5

Different Components

*All Entrees include a protein and grain

All lunches must include a fruit or veggie!

All lunches are served with all five components: fruit, vegetable, protein, grain and milk. While we encourage students to take a full tray, we understand that sometimes students may not want all items offered. Students can decline up to two components as long as their tray contains a fruit or a vegetable.

Studies show that students eat better when given a choice what is on their tray and this practice also reduces food waste!

Start Your Day Off Right!

Did you know that we serve breakfast in all K-12 schools before the school day begins?

Breakfast includes an entrée (grain and protein or two grains), choice of fruit and milk.

Check with your building for meal times.

Food Allergies & Special Diets

Students with allergies are permitted food substitutions with a signed medical statement. Contact us for more information.

Nutrislice

Use our interactive app and website to review breakfast and lunch menus, allergen information and nutritional facts for all menu items served. You can also rank items and provide feedback as well as see pictures of menu items.

AMS South Drop Off and Pick Up Procedures

Arrival – If you choose to drop your child off at school, please anticipate this process will take 10-15 minutes or more depending on how many families drive their child to school. **The first cars will not be able to drop off students until 9:05 am.** Please follow the traffic pattern shown below to drop off or pick up your child at the AMS South main entrance. We have created stack up lanes to accommodate as many cars as possible in our parking lot. These stack up lanes begin at the southwest corner of the parking lot behind the school. You can enter the pickup lane two ways:

- Enter from the roundabout at Avon Avenue (IN 267) and East County Road 25 South.
- Enter from Rockville Road (US Highway 36). Drive south and turn right just past the Avon Schools HRH Clinic and proceed to the stack up lanes.

Enter one of the stack up lanes and prepare to merge back to one lane alternating left to right. This single lane proceeds along the west side of the school and turns toward the front of our school. Please follow the directions of staff as they ask you to pull as far forward as possible so we can unload several cars at one time. Do not pull out of line or create a second lane in front of the school.

Dismissal – If you choose to pick up your child at school, please anticipate this process will take 15-20 minutes or more depending on how many families will be picking up their child from school. **All students are dismissed at 4:05 pm.**

ParentSquare is a simple platform for communication between home and school. ParentSquare is designed for whole-school adoption and collaborative use by principal, administration, teachers, staff, and parents. Your school will send an invitation email or text to join ParentSquare. Users can click the link to activate their account. Please make sure to download the app from either the App Store or Google Play.

It is very important for parents to make sure your email address and phone numbers are up to date and current throughout the school year. If you need to update this information, please send an email to our Guidance Secretary, Trisha Diaz, by sending a brief email to PDiaz@avon-schools.org

Some of the messages we may send via ParentSquare to keep you informed:

- Student report cards at the end of each grading period
- Oriole's Nest (weekly newsletter) on Sunday morning
- Teachers may contact parents to discuss concerns about student progress or behavior
- Dr. Peo sends announcements and reminders to parents occasionally regarding special events at AMS South

Quick-Start Guide

ParentSquare is your primary communication link with Avon Schools. Here's how to get started.

INSTALL THE APP ON YOUR MOBILE DEVICE AND LOG IN

- 1 Download the iPhone or Android mobile app.

- 2 Log in with your email or phone registered with the school.

- 3 Start receiving posts relevant to your student.

LEARN HOW IT WORKS

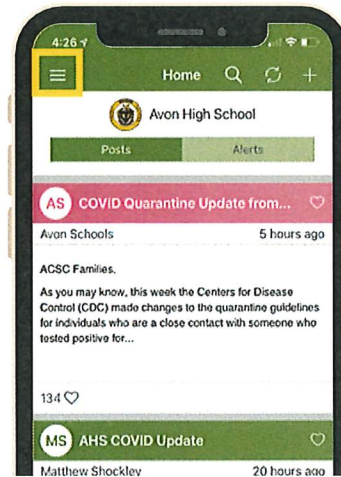

- 1 District leaders, principals, and teachers share updates.

- 2 You receive info, respond, and get automated reminders. Everyone has easy access to all interactions in one place.

MORE THAN ONE STUDENT IN YOUR FAMILY?

- 1 Tap the '☰' icon at the top left corner. Then tap 'Students.'

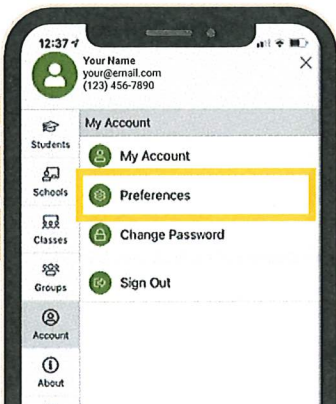

- 2 View notifications about your students individually.

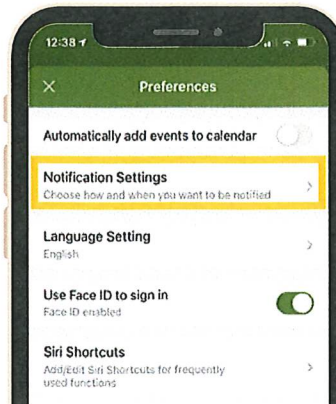

CHOOSE YOUR NOTIFICATION PREFERENCES SO YOU CAN STAY CONNECTED

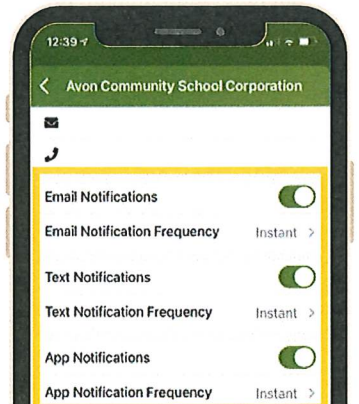

- 1 Tap the '☰' icon at the top-left corner. Then tap 'Account' and 'Preferences.'

- 2 Tap 'Notification Settings.'

- 3 Select how and when you would prefer to be notified.

REPORTING AN ABSENCE

When a student is absent from school, the PARENT must call or email the school by 10:00 A.M. to report the absence. If no call or email is received, the automated school system will make an effort to contact the parent, but if NO PARENT CALL or email has been received by 4:00 P.M. the day following the absence, the student will be charged with an unexcused absence.
